

# SEND IT GEN2 Level - V-Mount

[Optics & Mounting](#) > [Optic Accessories](#) > [Scope Anti-Cant Devices](#)

Born from a simple idea—never take your eye off the target—the original LRA SEND iT revolutionized rifle leveling for precision shooters. Since 2017, it has delivered absolute confidence to tens of thousands of marksmen worldwide. The MDT SEND iT Gen2 takes that legacy and pushes it further.

Smaller. Smarter. Stronger. Half the size. More modular. Built to endure. The Gen2 SEND iT delivers real-time, glanceable LED feedback—green means send it—so you can stay locked on target without shifting your focus. No more sluggish bubbles or second-guessing shots.

## Key Features:

1. Ultra-Fast LED Feedback – Instant indication when your rifle is level. No distractions, no delay.
2. Peripheral Awareness – Stay behind your optic while your eye picks up the signal.
3. Modular Mounting Options – Mount it where it works for your setup. Button orientation and user modes are customizable.
4. Tough, Compact Housing – Built for real-world abuse, in all weather and conditions.
5. Adjustable Brightness – Visibility you control, from daylight to low-light.
6. Long Battery Life – Up to 200 hours runtime on a single CR2032. That's nearly a full season of PRS.

No more bubbles. No more doubt. Just precision. The MDT SEND iT Gen2 is the most advanced electronic leveling system on the market—trusted by top competitors, hunters, and tactical shooters alike. If precision matters, this is your edge.

# Safety Instruction Guide for SEND IT GEN2 Level VMount

## Introduction

Thank you for choosing the SEND IT GEN2 Level VMount. This product is designed to enhance your shooting precision by providing realtime feedback on your rifle's leveling. To ensure your safety and the effective use of this product, please read and follow the safety instructions outlined in this guide carefully.

## General Safety Guidelines

- Ensure that all users are familiar with the product and its features before use.
- Always use the SEND IT GEN2 Level in accordance with the manufacturer's instructions.
- Regularly inspect the product for any signs of damage or wear.
- Do not expose the product to extreme conditions or environments that may affect its performance.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

### ○ **Battery Safety:**

- Only use a CR2032 battery as specified by the manufacturer.
- Do not attempt to recharge nonrechargeable batteries.
- Dispose of used batteries in accordance with local regulations.

### ○ **Mounting Safety:**

- Ensure that the mounting surface is stable and secure before installation.
- Verify that the product is properly attached to prevent it from detaching during use.

### ○ **Environmental Considerations:**

- Avoid using the product in wet or humid conditions unless specified.
- Protect the product from extreme temperatures and direct sunlight.

### ○ **User Awareness:**

- Maintain focus on your target while using the product to avoid distractions.
- Be aware of your surroundings and ensure a safe shooting environment.

## Instructions for Installation and Usage

### 1. Installation:

- Choose a suitable mounting location on your rifle that allows for easy visibility of the LED feedback.
- Securely attach the SEND IT GEN2 Level using the modular mounting options provided.
- Ensure that the product is level before use.

### 2. Usage:

- Turn on the device by pressing the designated button.
- Observe the LED feedback:

- Green light indicates that the rifle is level and ready to shoot.
- If the light is not green, adjust your rifle until the green light appears.
- Adjust the brightness settings according to your environment for optimal visibility.

### 3. PostUse:

- Turn off the device to conserve battery life when not in use.
- Store the product in a dry and safe location.

## Disposal Instructions

- Dispose of the SEND IT GEN2 Level and its components in accordance with local waste management regulations.
- Ensure that batteries are disposed of separately and according to local laws regarding battery disposal.

## Contact Information for Further Support

For any questions or concerns regarding the SEND IT GEN2 Level VMount, please refer to the manufacturer's contact information provided with your product packaging. Ensure you have the product details available for a more efficient support experience.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your SEND IT GEN2 Level VMount. Thank you for your attention to safety.
