

SEND IT GEN2 Level - Integrated Picatinny Mount

[Optics & Mounting](#) > [Optic Accessories](#) > [Scope Anti-Cant Devices](#)

Born from a simple idea—never take your eye off the target—the original LRA SEND iT revolutionized rifle leveling for precision shooters. Since 2017, it has delivered absolute confidence to tens of thousands of marksmen worldwide. The MDT SEND iT Gen2 takes that legacy and pushes it further.

Smaller. Smarter. Stronger. Half the size. More modular. Built to endure. The Gen2 SEND iT delivers real-time, glanceable LED feedback—green means send it—so you can stay locked on target without shifting your focus. No more sluggish bubbles or second-guessing shots.

Key Features:

1. Ultra-Fast LED Feedback - Instant indication when your rifle is level. No distractions, no delay.
2. Peripheral Awareness - Stay behind your optic while your eye picks up the signal.
3. Modular Mounting Options - Mount it where it works for your setup. Button orientation and user modes are customizable.
4. Tough, Compact Housing - Built for real-world abuse, in all weather and conditions.
5. Adjustable Brightness - Visibility you control, from daylight to low-light.
6. Long Battery Life - Up to 200 hours runtime on a single CR2032. That's nearly a full season of PRS.

No more bubbles. No more doubt. Just precision. The MDT SEND iT Gen2 is the most advanced electronic leveling system on the market—trusted by top competitors, hunters, and tactical shooters alike. If precision matters, this is your edge.

Safety Instruction Guide for SEND IT GEN2 Level Integrated Picatinny Mount

Introduction

Thank you for choosing the SEND IT GEN2 Level Integrated Picatinny Mount. This product is designed to enhance your shooting experience by providing precise leveling for your rifle. To ensure safe and effective use, please read this safety instruction guide carefully. It outlines essential safety guidelines, precautions, and instructions for installation and usage in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always ensure that the SEND IT GEN2 Level is used in accordance with the manufacturer's guidelines.
- Keep the product out of reach of children and vulnerable individuals to prevent accidental misuse.
- Regularly inspect the device for any signs of damage or wear before use.
- If the product is damaged or malfunctions, discontinue use immediately and seek assistance.
- Report any unsafe products or accidents to local authorities and check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the rifle is pointed in a safe direction when using the SEND IT GEN2 Level.
- Do not rely solely on the device for safety; always use proper firearm handling practices.
- Avoid using the SEND IT GEN2 Level in extreme weather conditions that may affect its operation.
- Be aware of your surroundings and ensure that no one is in the line of fire when using the device.
- Do not modify or tamper with the SEND IT GEN2 Level in any way, as this may compromise its safety and functionality.

Instructions for Installation and Usage

Installation

1. **Choose the Mounting Location:** Select a suitable location on your rifle's Picatinny rail where the SEND IT GEN2 Level can be easily viewed.
2. **Attach the Device:**
 - Align the mounting bracket of the SEND IT GEN2 Level with the Picatinny rail.
 - Securely fasten the device using the provided screws or mounting hardware.
3. **Check Alignment:** Ensure the SEND IT GEN2 Level is straight and properly aligned with your rifle.

Usage

1. **Power On the Device:** Activate the SEND IT GEN2 Level by pressing the power button.
2. **Adjust Brightness:** Use the brightness control to set the LED visibility according to your environment.
3. **Check Leveling:**
 - Look at the LED indicator; a green light means that your rifle is level.
 - If the light is red, adjust your rifle until the green light appears.
4. **Maintain Focus:** Keep your eye on the target while monitoring the LED feedback for realtime leveling information.

Disposal Instructions

- Dispose of the SEND IT GEN2 Level in accordance with local regulations regarding electronic waste.
- Remove the battery (CR2032) before disposal and recycle it according to local guidelines.

- Do not throw the device in household waste; utilize designated electronic waste disposal facilities.

Contact Information for Further Support

For further assistance with the SEND IT GEN2 Level, please refer to the manufacturer's contact information provided in the product packaging or visit their official website for additional resources and support.

By following these safety instructions, you can ensure a safe and enjoyable experience with your SEND IT GEN2 Level Integrated Picatinny Mount. Thank you for your attention to safety and responsible usage.
