

# Bipod - Mountain - ARCA - Black

[Shooting Accessories](#) > [Bipods, Monopods & Accessories](#) > [Bipods](#)

Every mountain hunter knows the drill: the night before a big trip, you're shaving grams wherever you can—without giving up performance. That's exactly where the MDT Mountain Bipod comes in.

Now fully integrated into the MDT lineup, it brings field-tested performance with smart, mountain-focused features. Twist-lock legs and a push-button deployment system mean fast setup—even with gloves on. It's quick, rock solid, and ready for rough country.

# Safety Instruction Guide for MDT Mountain Bipod

## Introduction

Thank you for choosing the MDT Mountain Bipod. This guide provides important safety information to ensure the safe and effective use of your bipod. Please read this guide thoroughly before using the product.

## General Safety Guidelines

- Ensure proper handling of the bipod to avoid injury.
- Always inspect the bipod for damage or wear before each use.
- Keep the bipod out of reach of children and vulnerable individuals.
- Be aware of your surroundings when using the bipod to avoid accidents.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Do not exceed the weight limit specified for the bipod.
- Ensure the bipod is fully deployed and locked before use.
- Avoid using the bipod on unstable or uneven surfaces.
- Use caution when adjusting the legs of the bipod to prevent pinching.
- Do not modify the bipod in any way that may compromise its safety.

## Instructions for Installation and Usage

### 1. Unpacking the Bipod

- Carefully remove the bipod from the packaging.
- Inspect for any damage or missing parts.

### 2. Setting Up the Bipod

- Locate the twistlock mechanism on each leg.
- Twist to unlock and extend each leg to the desired length.
- Twist again to lock the legs in place securely.

### 3. Deploying the Bipod

- Press the pushbutton deployment system to quickly set up the bipod.
- Ensure all legs are firmly on the ground and the bipod is stable.

### 4. Using the Bipod

- Position your firearm or equipment on the bipod.
- Adjust the angle as needed for optimal stability and comfort.
- Always maintain a firm grip on your equipment while in use.

### 5. Packing Up the Bipod

- Press the pushbutton to retract the legs.
- Twistlock each leg to secure them in the closed position.
- Store the bipod in a safe place when not in use.

## **Disposal Instructions**

- Dispose of the bipod according to local regulations.
- Recycle materials when possible to minimize environmental impact.
- Do not dispose of the bipod in regular household waste if it contains hazardous materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and use of the MDT Mountain Bipod, please consult the product packaging or visit the manufacturer's website for more information.

Thank you for your attention to these safety guidelines. Enjoy your mountain adventures with the MDT Mountain Bipod!
