

## Silicon case for SG Timer 2 - Timer 2 silicon case Sand

[Shooting Accessories](#) > [Range Gear](#) > [Shot Timers](#)

Excellent protection and grip. Designed specifically for SG Timer 2, the case doesn't reduce the magnetic strength when attaching to the Magnetic holder and fits over the buttons for ease of use.

Protects against scratches, drops and creates a protective bezel around the screen. The case ensures charging at full power with Magnetic charging holder and Qi wireless chargers

# Safety Instruction Guide for Silicon Case for SG Timer 2

## Introduction

Thank you for choosing the Silicon Case for SG Timer 2. This guide provides essential safety instructions and information to ensure safe use and proper handling of the product. Please read this guide carefully before using the product.

## General Safety Guidelines

- Always ensure the product is used as intended to avoid accidents or injuries.
- The Silicon Case is designed to protect the SG Timer 2 from scratches and drops. However, it does not guarantee complete protection against all types of damage.
- Keep the product away from children under the age of 3, as small parts may pose a choking hazard.
- Regularly inspect the case for any signs of wear or damage. If the case is damaged, discontinue use and replace it.
- Use the product only with compatible devices to ensure safety and functionality.

## Specific Safety Precautions for Use

- Ensure that the case is properly fitted over the SG Timer 2 before use.
- Avoid exposing the case to extreme temperatures or harsh chemicals, as this may degrade the material.
- Do not attempt to modify or alter the case in any way, as this may compromise its protective features.
- When charging the device, ensure that the case does not obstruct the charging ports or connections.
- If you experience any issues with the product, such as malfunctions or incompatibility, cease use immediately and consult the appropriate support resources.

## Instructions for Installation and Usage

### 1. Installation:

- Carefully remove the SG Timer 2 from its original packaging.
- Align the Silicon Case with the SG Timer 2, ensuring that the buttons and ports are accessible.
- Gently press the case onto the device until it fits snugly. Ensure that there are no gaps between the case and the device.

### 2. Usage:

- To use the SG Timer 2, press the buttons through the case as needed.
- Attach the device to a magnetic holder as required. The case is designed to maintain magnetic strength.
- Charge the device using a Magnetic charging holder or Qi wireless charger, ensuring the case does not interfere with the charging process.

## Disposal Instructions

- Dispose of the Silicon Case responsibly. Check local regulations for proper disposal methods.
- Do not incinerate the product as it may release harmful substances.
- If the case is no longer usable, consider recycling it if facilities are available in your area.

## **Contact Information for Further Support**

For any inquiries or safety concerns regarding the Silicon Case for SG Timer 2, please refer to the manufacturer's contact details provided in the product packaging or on the official website.

By following these guidelines, you can ensure a safe and effective experience with your Silicon Case for SG Timer 2. Thank you for your attention to safety!
