# Safety Instruction Guide for Silicon Case for SG Timer 2

## Introduction

Thank you for choosing the Silicon Case for SG Timer 2. This guide provides essential safety instructions to ensure the safe use and longevity of your product. Please read this guide carefully before using the case.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always inspect the case for any signs of damage before use.
- Keep the product out of reach of children to avoid any choking hazards.
- Do not expose the case to extreme temperatures or direct sunlight for prolonged periods.
- If you notice any unusual wear or damage, discontinue use immediately and contact the manufacturer.

## Specific Safety Precautions for Use

- The case is designed to provide excellent protection and grip; however, it is not indestructible. Always handle with care.
- Avoid using the case in environments where it may come into contact with sharp objects that could puncture or tear the silicone material.
- Ensure that the case is properly fitted onto the SG Timer 2 to maintain optimal functionality and protection.
- Do not attempt to disassemble or modify the case, as this may compromise its protective features.

## Instructions for Installation and Usage

### 1. Installation:

- Align the case with the SG Timer 2, ensuring that all buttons and ports are accessible.
- Gently press the case onto the device until it fits snugly without any gaps.
- Verify that the magnetic strength is not reduced when attaching to the magnetic holder.

### 2. Usage:

- Use the case to protect against scratches and drops during regular use.
- Ensure that the case does not obstruct any buttons or the screen for ease of use.
- For charging, use the Magnetic charging holder or Qi wireless chargers as intended.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and silicone materials.
- Do not incinerate the case, as this may release harmful substances.
- If the case is no longer usable, consider recycling it if facilities are available in your area.

## Contact Information for Further Support

For any safety inquiries or concerns regarding this product, please contact the manufacturer directly. Ensure you have the product details ready for a more efficient response.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
