Safety Instruction Guide for Silicon Case for SG Timer 2

Introduction

Thank you for choosing the Silicon Case for SG Timer 2. This product is designed to provide excellent protection and grip for your device. It is crucial to follow the safety instructions outlined in this guide to ensure safe and effective use. This guide complies with the EU General Product Safety Regulation (GPSR) and aims to provide clear and concise information for consumers.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is to protect the SG Timer 2.
- Regularly inspect the silicon case for any signs of wear or damage. If the case is damaged, discontinue use immediately.
- Keep the product out of reach of children to avoid accidental ingestion or misuse.
- Always follow the manufacturer's instructions for use and care.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- The case is designed to maintain the magnetic strength when attached to a Magnetic holder. Ensure that the case is properly aligned to avoid any disconnection.
- Do not expose the case to extreme temperatures, as this may affect its performance and durability.
- Avoid using sharp objects that could puncture or tear the case.
- Ensure that the case does not obstruct any buttons or ports of the SG Timer 2, as this may hinder its functionality.
- When charging, ensure that the case is compatible with Magnetic charging holders and Qi wireless chargers for safe operation.

Instructions for Installation and Usage

1. Installation:

- Align the SG Timer 2 with the silicon case.
- Gently press the device into the case, ensuring that all corners are securely fitted.
- Check that all buttons and ports are accessible and unobstructed by the case.

2. Usage:

- When using the SG Timer 2 with the case, ensure that it is securely attached to the Magnetic holder.
- Do not attempt to remove the case while the device is connected to a power source.
- After use, clean the case with a damp cloth to remove any dirt or debris.

Disposal Instructions

- Dispose of the silicon case in accordance with local waste disposal regulations.
- Do not dispose of the case in regular household waste if it is damaged or no longer usable.
- Consider recycling options if available in your area.
