

Silicon case for SG Timer 2 - Timer 2 silicon bumper Sunset on the Range

Excellent protection and grip. Designed specifically for SG Timer 2, the case doesn't reduce the magnetic strength when attaching to the Magnetic holder and fits over the buttons for ease of use.

Protects against scratches, drops and creates a protective bezel around the screen. The case ensures charging at full power with Magnetic charging holder and Qi wireless chargers

Safety Instruction Guide for Silicon Case for SG Timer 2

Introduction

Thank you for choosing the Silicon Case for SG Timer 2, specifically designed to provide excellent protection and grip for your device. This guide outlines important safety instructions and guidelines to ensure safe use and maximize the performance of your product. Please read this document carefully before using the case.

General Safety Guidelines

- Follow all instructions provided in this guide to ensure safe use of the product.
- Ensure that the product is used only for its intended purpose as described.
- Regularly inspect the case for any signs of wear or damage. If any issues are detected, discontinue use immediately.
- Keep the product out of reach of children and vulnerable individuals to prevent accidental harm.
- Always use the case in conjunction with compatible devices and accessories.

Specific Safety Precautions for Use

- **Avoid Extreme Conditions:** Do not expose the case to extreme temperatures, moisture, or direct sunlight for prolonged periods.
- **Magnetic Attachment:** Ensure that the magnetic holder is securely attached before using the case to prevent accidental detachment.
- **Charging Safety:** When using the case with magnetic charging holders or Qi wireless chargers, ensure that the connection is stable and that the charging device is functioning correctly.
- **Button Access:** Ensure that the buttons are easily accessible and not obstructed by the case during use.
- **Inspect for Damage:** Regularly check the case for any cracks, tears, or other damage that may compromise its protective features.

Instructions for Installation and Usage

1. Installation:

- Align the case with the SG Timer 2 device.
- Gently press the case onto the device until it fits snugly.
- Ensure that all buttons and ports are accessible and unobstructed.

2. Usage:

- Use the device normally while it is protected by the case.
- For charging, align the device with the magnetic charging holder or Qi wireless charger, ensuring a secure connection.
- When not in use, store the device in a safe place to prevent accidental drops or damage.

Disposal Instructions

- Dispose of the silicon case in accordance with local regulations for electronic waste and nonbiodegradable materials.
- Do not dispose of the product in household waste.
- If uncertain about disposal methods, contact your local waste management authority for guidance.

Contact Information for Further Support

For any questions or concerns regarding the Silicon Case for SG Timer 2, please refer to the manufacturer's contact information provided on the packaging or visit the manufacturer's website for further assistance.

By following these guidelines, you can ensure the safety and longevity of your Silicon Case for SG Timer 2. Thank you for your attention to these important safety instructions.
