

LSS Gen3 Kit CZ 457 - MDT Chassis - LSS Gen3 System - CZ 457 - RH - Worker - FDE

The MDT LSS GEN3 Worker Kit is built for those who need reliability, portability, and simplicity—all packed into one rugged, ready-to-go setup. Whether you're hunting hogs, riding the fenceline, or keeping a coyote rig behind the seat, this chassis is always ready for action.

Lightweight. Compact. Easy to run. Toss it in the truck. Strap it to your pack. Set it up for anyone—from beginners to seasoned pros—and it just works.

Built for movement, the Worker Kit is easy to carry and quick to deploy, whether you're covering miles on foot or jumping in and out of a truck.

The short forend with polymer side panels keeps the rifle slim, comfortable, and easy to grip—plus, it's resistant to heat and cold where it matters. The compact CCS buttstock delivers portability without sacrificing ergonomics.

Truck gun. Ranch rifle. Pack build. Youth trainer. First rifle or fifth—it doesn't matter. This is the kind of setup that gets used—and used hard.

You get professional-grade features like AICS mag compatibility, V-block bedding, and M-LOK accessory slots, all in a build that's simple enough for anyone to use. And because it's still an LSS GEN3 chassis at its core, you're never locked in. Upgrade the stock. Swap the grip. Change the forend. Build it your way.

Safety Instruction Guide for LSS Gen3 Kit CZ 457 MDT Chassis

Introduction

Thank you for choosing the LSS Gen3 Kit CZ 457 MDT Chassis. This guide provides essential safety instructions and guidelines for the proper use and maintenance of your product. Following these instructions will help ensure your safety and the safety of others while using this chassis system.

General Safety Guidelines

- Always handle the product with care to avoid injury or damage.
- Read all instructions and warnings before using the product.
- Ensure that the product is suitable for your intended use and complies with local laws and regulations.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for wear or damage. Discontinue use if any parts are damaged.
- Report any unsafe conditions or accidents to the relevant authorities immediately.
- Stay informed about product recalls and safety alerts via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before attaching or detaching the chassis.
- Use only compatible components as specified by the manufacturer.
- Avoid using the chassis in extreme weather conditions that may affect its performance.
- Securely attach all accessories to prevent them from becoming loose during use.
- Use protective gear, such as safety glasses and ear protection, while operating firearms.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

Installation

1. **Unpack the Kit:** Carefully remove the LSS Gen3 Kit from the packaging and ensure all components are present.
2. **Attach the Chassis:**
 - Align the rifle with the chassis mounting points.
 - Securely fasten the chassis to the rifle using the provided screws.
 - Ensure all screws are tightened to prevent movement.
3. **Install Accessories:**
 - Attach any desired accessories, such as scopes or grips, following the manufacturer's instructions.
 - Use MLOK accessory slots for additional attachments.

Usage

1. **Load the Firearm:**
 - Ensure the firearm is pointed in a safe direction.
 - Load the firearm only when ready to shoot.
2. **Adjust the Buttstock:**
 - Adjust the CCS buttstock for a comfortable fit before shooting.
 - Ensure the buttstock is securely locked in place.
3. **Shooting:**
 - Always follow safe shooting practices.
 - Maintain control of the firearm at all times.
4. **PostUse Care:**
 - Clean the chassis and the firearm after each use.
 - Store the product in a safe, dry location away from unauthorized users.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Contact local waste management authorities for proper disposal methods.
