

# LSS Gen3 Kit SA - MDT Chassis - LSS Gen3 System - Howa 1500 - SA - RH - Worker - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The MDT LSS GEN3 Worker Kit is built for those who need reliability, portability, and simplicity—all packed into one rugged, ready-to-go setup. Whether you're hunting hogs, riding the fenceline, or keeping a coyote rig behind the seat, this chassis is always ready for action.

Lightweight. Compact. Easy to run. Toss it in the truck. Strap it to your pack. Set it up for anyone—from beginners to seasoned pros—and it just works.

Built for movement, the Worker Kit is easy to carry and quick to deploy, whether you're covering miles on foot or jumping in and out of a truck.

The short forend with polymer side panels keeps the rifle slim, comfortable, and easy to grip—plus, it's resistant to heat and cold where it matters. The compact CCS buttstock delivers portability without sacrificing ergonomics.

Truck gun. Ranch rifle. Pack build. Youth trainer. First rifle or fifth—it doesn't matter. This is the kind of setup that gets used—and used hard.

You get professional-grade features like AICS mag compatibility, V-block bedding, and M-LOK accessory slots, all in a build that's simple enough for anyone to use. And because it's still an LSS GEN3 chassis at its core, you're never locked in. Upgrade the stock. Swap the grip. Change the forend. Build it your way.

# Safety Instruction Guide for LSS Gen3 Kit SA MDT Chassis

## Introduction

Thank you for choosing the LSS Gen3 Kit SA MDT Chassis for your Howa 1500 rifle. This guide provides essential safety information and instructions to ensure safe and effective use of your product. Please read this guide carefully before use to understand the safety precautions and operational procedures.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Store the chassis and rifle in a secure location, away from children and unauthorized users.
- Regularly inspect the chassis and rifle for any signs of wear or damage.
- Use only compatible accessories and components as specified by the manufacturer.
- Always follow local laws and regulations regarding firearm ownership and use.

## Specific Safety Precautions for Use

- Ensure that the chassis is properly attached to the rifle before use.
- Check that the magazine is securely in place and that the firearm is in a safe condition.
- Be aware of your surroundings and ensure a clear target before firing.
- Do not attempt to modify or alter the chassis beyond manufacturer specifications.
- Use appropriate ammunition as specified for the Howa 1500 rifle.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### Installation Instructions

#### 1. Unpack the Kit:

- Carefully remove the LSS Gen3 Kit from its packaging.
- Check all components against the included parts list to ensure nothing is missing.

#### 2. Attach the Chassis to the Rifle:

- Align the rifle with the chassis, ensuring that the mounting points are correctly positioned.
- Securely fasten the chassis to the rifle using the provided hardware.
- Ensure that all screws and bolts are tightened to the manufacturer's specifications.

#### 3. Adjust the Buttstock:

- Adjust the CCS buttstock to your preferred length of pull for comfort and control.
- Check that the adjustment mechanism is securely locked in place.

#### 4. Install Accessories:

- Utilize the MLOK accessory slots for any additional attachments as needed.
- Ensure that all accessories are compatible with the chassis and securely attached.

## **Usage Instructions**

- Before using the rifle, perform a function check to ensure everything is operating correctly.
- When ready to shoot, assume a stable shooting position with the rifle comfortably supported by the chassis.
- Maintain proper grip and control of the rifle at all times.
- After use, unload the firearm and store it securely.

## **Disposal Instructions**

- Dispose of the chassis and any associated components in accordance with local regulations.
- If applicable, remove any nonmetal parts before recycling.
- Do not dispose of firearms or firearm components in regular waste. Contact local authorities for safe disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the LSS Gen3 Kit SA MDT Chassis, please contact the manufacturer directly. Ensure you have your product information readily available for assistance.

By following these guidelines, you can ensure a safe and enjoyable experience with your LSS Gen3 Kit SA MDT Chassis. Stay safe and responsible while enjoying your shooting activities.
