

LSS Gen3 Kit SA - MDT Chassis - LSS Gen3 System - Howa 1500 - SA - RH - Worker - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The MDT LSS GEN3 Worker Kit is built for those who need reliability, portability, and simplicity—all packed into one rugged, ready-to-go setup. Whether you're hunting hogs, riding the fenceline, or keeping a coyote rig behind the seat, this chassis is always ready for action.

Lightweight. Compact. Easy to run. Toss it in the truck. Strap it to your pack. Set it up for anyone—from beginners to seasoned pros—and it just works.

Built for movement, the Worker Kit is easy to carry and quick to deploy, whether you're covering miles on foot or jumping in and out of a truck.

The short forend with polymer side panels keeps the rifle slim, comfortable, and easy to grip—plus, it's resistant to heat and cold where it matters. The compact CCS buttstock delivers portability without sacrificing ergonomics.

Truck gun. Ranch rifle. Pack build. Youth trainer. First rifle or fifth—it doesn't matter. This is the kind of setup that gets used—and used hard.

You get professional-grade features like AICS mag compatibility, V-block bedding, and M-LOK accessory slots, all in a build that's simple enough for anyone to use. And because it's still an LSS GEN3 chassis at its core, you're never locked in. Upgrade the stock. Swap the grip. Change the forend. Build it your way.

Safety Instruction Guide for LSS Gen3 Kit SA MDT Chassis

Introduction

Thank you for choosing the LSS Gen3 Kit SA MDT Chassis. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide carefully before using the chassis. It is important to follow all safety guidelines to minimize risks and ensure a safe experience.

General Safety Guidelines

- Ensure that you are familiar with the operation of firearms before using this chassis.
- Always treat your firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the chassis and firearm in a secure location, away from unauthorized access, especially by children.
- Regularly inspect the chassis for any signs of damage or wear. Do not use if damaged.
- Use only compatible accessories and components with the chassis to avoid malfunctions.
- Follow all local laws and regulations regarding the use and transportation of firearms.

Specific Safety Precautions for Use

- **Age Restrictions:** This product is intended for use by individuals aged 18 and older. Ensure that younger users are supervised by a responsible adult.
- **Handling:** Always handle the chassis with care. Avoid dropping or mishandling to prevent damage.
- **Environmental Conditions:** Avoid exposing the chassis to extreme temperatures or moisture, which may affect its performance.
- **Training:** If you are a beginner, seek proper training from a qualified instructor before using the chassis.
- **Maintenance:** Regularly clean and maintain your chassis according to the manufacturer's guidelines to ensure optimal performance.

Instructions for Installation and Usage

1. Unpacking:

- Carefully remove the chassis from its packaging.
- Inspect the chassis for any visible damage. If damaged, do not use and contact the manufacturer.

2. Installation:

- Follow the manufacturer's instructions for attaching your firearm to the chassis.
- Ensure that all screws and components are securely tightened.

3. Usage:

- When using the chassis, ensure that you are in a safe and controlled environment.
- Practice proper shooting techniques and follow all firearm safety rules.
- If you experience any issues while using the chassis, cease use immediately and consult the troubleshooting section of the manufacturer's manual.

4. Transportation:

- When transporting the chassis, ensure that it is secured in a protective case.
- Always keep the firearm unloaded during transportation.

Disposal Instructions

- When disposing of the chassis, follow local regulations for the disposal of aluminum and other materials.
- Do not dispose of in regular household waste.
- Consider recycling options to minimize environmental impact.

Contact Information for Further Support

For any safety inquiries or support regarding your LSS Gen3 Kit SA MDT Chassis, please refer to the manufacturer's contact details provided in the product packaging.

By following these guidelines, you can help ensure a safe and enjoyable experience with your LSS Gen3 Kit SA MDT Chassis. Always prioritize safety and remain informed about best practices for firearm use.
