If you're building a match rifle and want to skip the guesswork, the MDT LSS GEN3 Competition Kit is your solution. It takes the most modular rifle chassis system on the market and tunes it for one thing: winning competitions.

No part picking. No mismatched accessories. Just a rock-solid, competition-ready rifle foundation—straight out of the box. Every component in this kit is hand-selected to give you the edge in PRS, NRL, and precision rifle matches. It's not just modular—it's optimized.

The flat, wide Competition Forend with an integrated ARCA rail makes running barricades automatic. Lock in your tripod, clamp your bipod, and go. This isn't a compromise. You get the same rock-solid fitment and zero-retention that the GEN3 is known for—with competition-grade parts pre-installed.

Already a beast, yet still fully modular. Swap the grip. Switch the stock. Add weights, bridges, or accessories. Make it yours.

Introduction

Thank you for choosing the LSS Gen3 Kit LA MDT Chassis. This product is designed to enhance your shooting experience by providing a solid foundation for your precision rifle. To ensure safe and effective use, please read this safety instruction guide carefully. It includes important information regarding the safe use, installation, and disposal of the product, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

To ensure your safety and the safety of others, please follow these general safety guidelines:

- Always handle the rifle and chassis with care.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage before use.
- Ensure that all components are securely attached before using the rifle.
- Follow all local laws and regulations regarding firearms and accessories.
- Do not modify the chassis or any of its components unless specifically instructed to do so by the manufacturer.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

When using the LSS Gen3 Kit LA MDT Chassis, please observe the following safety precautions:

- Ensure that your firearm is unloaded before installing or adjusting the chassis.
- Use only compatible accessories and components designed for this chassis.
- Avoid using the chassis in adverse weather conditions that may affect performance.
- Always wear appropriate eye and ear protection when using the rifle.
- Be aware of your surroundings and ensure a safe shooting environment.
- If you experience any malfunctions, discontinue use immediately and seek professional assistance.

Instructions for Installation and Usage

Follow these instructions for the safe installation and use of the LSS Gen3 Kit LA MDT Chassis:

1. Installation:

- Ensure the firearm is unloaded.
- Remove the existing stock from your Howa 1500 rifle according to the manufacturer's instructions.
- Align the LSS Gen3 chassis with the action of the rifle.
- Secure the chassis to the rifle using the provided screws and tools.
- Confirm that all screws are tightened to the manufacturer's specifications.

2. Usage:

- Familiarize yourself with the adjustments available on the chassis, including stock length and cheek riser height.
- Practice using the integrated ARCA rail for mounting accessories.
- Adjust the forend to suit your shooting style and preferences.
- Regularly check the fitment and stability of the chassis during use.

Disposal Instructions

When the LSS Gen3 Kit LA MDT Chassis reaches the end of its life or is no longer needed, please follow these disposal instructions:

- Dispose of the chassis in accordance with local regulations regarding electronic and metal waste.
- Remove any nonmetal components and dispose of them separately if required by local laws.
- Consider recycling the aluminum components where facilities are available.

Contact Information for Further Support

For any questions or concerns regarding the LSS Gen3 Kit LA MDT Chassis, please reach out to the manufacturer or authorized dealer. They can provide assistance and information regarding safety, usage, and warranty.
