# LSS Gen3 LA MDT Chassis Safety Instructions

## Introduction

Thank you for choosing the LSS Gen3 LA MDT Chassis. This product is designed to provide a solid foundation for your rifle build, enhancing both performance and versatility. To ensure your safety and the longevity of your chassis, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that the chassis is compatible with your rifle model before installation.
- Always wear appropriate safety gear, including eye protection and hearing protection, when handling firearms.
- Keep the chassis and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage before use.
- Follow all local laws and regulations regarding firearms and their accessories.

## Specific Safety Precautions for Use

- **Handling:** Always treat your rifle as if it is loaded. Keep the muzzle pointed in a safe direction at all times.
- **Installation:** Ensure that the chassis is securely attached to the rifle before use. Loose components can lead to accidents.
- **Modification:** Only use compatible accessories and components as specified by the manufacturer. Unauthorized modifications may compromise safety.
- **Storage:** Store the chassis and your rifle in a secure location to prevent unauthorized access.
- **Transport:** When transporting your rifle, ensure it is unloaded and securely stored in a suitable case.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and components required for installation.
- Ensure you are working in a clean, welllit environment.

### 2. Installation:

- Carefully remove the existing stock from your Howa 1500 rifle.
- Align the LSS Gen3 chassis with the rifle action and ensure all mounting points are properly aligned.
- Securely fasten the chassis to the rifle using the provided hardware. Do not overtighten, as this may damage the chassis or the rifle.

### 3. Customization:

- Select your desired forend, buttstock interface, buttstock, and grip.
- Follow the manufacturer's instructions for attaching each component, ensuring a secure fit.

### 4. Usage:

- Once assembled, perform a function check to ensure everything operates smoothly.
- Familiarize yourself with the controls and features of your newly built rifle before using it in the field.

## **Disposal Instructions**

- Dispose of the chassis and any associated components in accordance with local regulations.
- Do not dispose of the chassis in regular household waste. Check for local recycling programs that accept aluminum materials.
- Ensure any hazardous materials, such as lubricants or cleaning agents, are disposed of safely and responsibly.

## **Contact Information for Further Support**

For any questions or concerns regarding the LSS Gen3 LA MDT Chassis, please refer to the manufacturer's website or customer support resources. It is important to have an EU-based contact for safety inquiries.

## **Conclusion**

By following these safety instructions, you can ensure a safe and enjoyable experience with your LSS Gen3 LA MDT Chassis. Always prioritize safety and compliance with local laws when handling firearms and accessories. Thank you for your attention to these guidelines.
