

ACC Premier Gen 2 System - CZ 457 - RH - MDT Chassis - ACC Premier Gen2 System - Ruger 10-22 - RH - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

An all-round refresh to the industry-defining ACC Premier. The ACC Premier GEN2 borrows improvements made with the ACC Elite.

An evolution of competitive shooting, the MDT ACC Premier GEN2 Chassis System offers superior precision, stability, rigidity. The wide, thick and flat forend eliminates flex and torsion, creating a highly stable platform on barricades and other PRS props. It also features a full-length integrated ARCA rail to mount bipods and tripods for enhanced stability. Features a compact 15" forend, comfortably accommodating barrels starting at 17". The MDT ACC Premier GEN2 is compatible with a variety of weights to help you achieve that perfect balance.

Safety Instruction Guide for ACC Premier Gen 2 System CZ 457 RH MDT Chassis Ruger 1022 RH FDE

Introduction

Thank you for choosing the ACC Premier Gen 2 System. This guide provides essential safety information to ensure the proper and safe use of your product. It is important to adhere to these guidelines to minimize risks and enhance your shooting experience.

General Safety Guidelines

- Ensure that all users of the ACC Premier Gen 2 System are familiar with firearm safety rules.
- Always treat every firearm as if it is loaded.
- Use the product only for its intended purpose, which is to enhance the performance of compatible rifles.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of damage or wear. Do not use if damaged.
- Follow all local laws and regulations regarding firearm use and modifications.
- If you are unsure about any aspect of the product, seek assistance from a qualified professional.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms.
- Ensure that the area around you is clear of obstructions and that you have a safe backdrop for shooting.
- Avoid using the product in adverse weather conditions that could affect stability and safety.
- Do not exceed the manufacturer's recommended specifications for weight and barrel length.
- When adjusting the chassis, ensure that all screws are tightened to the manufacturer's specifications to prevent any movement during use.
- Be cautious when transitioning between shooting positions; ensure stability before firing.
- If you experience any malfunctions or issues with the product, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation

- Carefully remove the ACC Premier Gen 2 System from its packaging.
- Ensure you have the necessary tools ready, typically a screwdriver for tightening screws.
- Position your rifle action into the chassis, ensuring it aligns correctly.
- Tighten the two screws securely to hold the action in place. Do not overtighten, as this may cause damage.
- Inspect the installation to ensure everything is properly aligned and secure before use.

2. Usage

- Adjust the forend, cheek weld, and length of pull to suit your personal preferences for comfort and stability.
- When using the integrated ARCA rail, ensure that any accessories mounted are compatible and securely attached.
- Practice safe handling and shooting techniques at all times.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and aluminum waste.
- Do not dispose of the product in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product support, please reach out to the designated EU contact point or your local retailer.

This safety instruction guide is designed to help you use the ACC Premier Gen 2 System safely and effectively. Always prioritize safety and responsible firearm handling. Enjoy your shooting experience!
