

# ACC Premier Gen 2 System - CZ 457 - RH - MDT Chassis - ACC Premier Gen2 System - Ruger 10-22 - RH - CCG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

An all-round refresh to the industry-defining ACC Premier. The ACC Premier GEN2 borrows improvements made with the ACC Elite.

An evolution of competitive shooting, the MDT ACC Premier GEN2 Chassis System offers superior precision, stability, rigidity. The wide, thick and flat forend eliminates flex and torsion, creating a highly stable platform on barricades and other PRS props. It also features a full-length integrated ARCA rail to mount bipods and tripods for enhanced stability. Features a compact 15" forend, comfortably accommodating barrels starting at 17". The MDT ACC Premier GEN2 is compatible with a variety of weights to help you achieve that perfect balance.

AVAILABLE

The ability to finely tune your hand position, cheek weld, and length of pull provides a comfortable shooting experience tailored to you. A wide array of optional accessories that expand and enhance functionality are also available. Upgrade your rifle with ease and hit the range in no time. Simply drop your action into place and tighten two screws. No need for complicated gunsmithing.

# Safety Instruction Guide for ACC Premier Gen 2 System

## Introduction

Thank you for choosing the ACC Premier Gen 2 System. This product is designed for precision and stability in competitive shooting. To ensure your safety and the safe use of the product, please read this guide carefully before installation and usage.

## General Safety Guidelines

- Ensure that you understand the product and its components before use.
- Always handle firearms with care and in accordance with local laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of damage or wear.
- Report any unsafe products or incidents to relevant authorities.
- Stay updated on recall notices through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye and ear protection, when using the system.
- Ensure that the rifle is unloaded before installation or maintenance.
- Confirm that all screws are securely tightened before use to prevent any accidents.
- Avoid using the system in adverse weather conditions that may affect performance or safety.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not modify the product in any way that may compromise its safety or functionality.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the rifle is unloaded.
- Place the action of your rifle into the MDT ACC Premier Gen 2 Chassis.
- Tighten the two screws provided to secure the action in place.
- Verify that the action is firmly held in the chassis before proceeding.

### 2. Usage:

- Adjust the length of pull, cheek weld, and hand position to fit your comfort.
- Utilize the integrated ARCA rail for mounting bipods or tripods to enhance stability.
- Practice shooting in a safe environment to familiarize yourself with the system.
- Regularly check the stability and integrity of the chassis during use.

## Disposal Instructions

- When disposing of the product, follow local regulations for electronic and metal waste.
- Remove all components that can be recycled and dispose of them separately.
- Ensure that the product is rendered unusable before disposal to prevent misuse.

## Contact Information for Further Support

For any further inquiries or support regarding the ACC Premier Gen 2 System, please refer to the official website

or contact the designated support channels provided with your product.

Thank you for prioritizing safety and enjoying your shooting experience with the ACC Premier Gen 2 System.
