

ACC Premier Gen 2 System - CZ 457 - RH - MDT Chassis - ACC Premier Gen2 System - Tikka T1X - Rimfire - RH - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

An all-round refresh to the industry-defining ACC Premier. The ACC Premier GEN2 borrows improvements made with the ACC Elite.

An evolution of competitive shooting, the MDT ACC Premier GEN2 Chassis System offers superior precision, stability, rigidity. The wide, thick and flat forend eliminates flex and torsion, creating a highly stable platform on barricades and other PRS props. It also features a full-length integrated ARCA rail to mount bipods and tripods for enhanced stability. Features a compact 15" forend, comfortably accommodating barrels starting at 17". The MDT ACC Premier GEN2 is compatible with a variety of weights to help you achieve that perfect balance.

Safety Instruction Guide for the ACC Premier Gen 2 System

Introduction

Thank you for choosing the ACC Premier Gen 2 System. This guide provides important safety information and instructions to ensure the safe use of your product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the ACC Premier Gen 2 System is used in accordance with all local laws and regulations regarding firearms.
- Always treat your firearm as if it is loaded, even if you believe it to be unloaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm securely and out of reach of children and unauthorized users.
- Use appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure that there is a safe backdrop when shooting.
- Regularly inspect your firearm and the ACC Premier Gen 2 System for any signs of wear or damage.
- If you notice any defects or issues, do not use the product until it has been inspected and repaired by a qualified gunsmith.

Specific Safety Precautions for Use

- Only use ammunition that is compatible with your firearm model (Tikka T1X).
- Ensure that the MDT ACC Premier Gen 2 Chassis is properly installed and secured before use.
- Do not modify the ACC Premier Gen 2 System or any part of your firearm without consulting a qualified gunsmith.
- Avoid using the firearm in adverse weather conditions that could affect safety and performance.
- Do not engage in shooting activities while under the influence of drugs or alcohol.
- Always follow the manufacturer's instructions for the safe operation of your firearm and the ACC Premier Gen 2 System.
- Be cautious when adjusting the length of pull, cheek weld, or hand position to avoid injury.

Instructions for Installation and Usage

1. Installation of the ACC Premier Gen 2 System:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Carefully remove the existing stock from your Tikka T1X rifle.
- Align the action of your rifle with the ACC Premier Gen 2 Chassis.
- Secure the action in place by tightening the two screws provided. Ensure they are tightened firmly but do not overtighten.
- Check that the rifle is stable and that there is no movement in the chassis.

2. Usage:

- Adjust the length of pull and cheek weld to suit your shooting style and comfort.
- Mount your bipod or tripod to the integrated ARCA rail for enhanced stability.
- When ready to shoot, ensure that the firearm is in a safe position and that the area is clear of obstructions and bystanders.
- Follow standard shooting practices and safety protocols while using your firearm.

Disposal Instructions

- Dispose of the ACC Premier Gen 2 System and any associated components in accordance with local regulations regarding hazardous waste and firearms.
- If the product is damaged beyond repair, ensure that it is rendered unusable before disposal to prevent unauthorized use.

Contact Information for Further Support

For any safety inquiries, product support, or to report unsafe conditions, please contact the manufacturer directly through their official channels. Ensure that you have your product details ready for reference.

By following these guidelines and instructions, you can help ensure a safe and enjoyable experience with your ACC Premier Gen 2 System. Always prioritize safety and be responsible in your use of firearms.
