

# ACC Premier Gen 2 System - CZ 457 - RH - MDT Chassis - ACC Premier Gen2 System - Tikka T1X - Rimfire - RH - CCG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

An all-round refresh to the industry-defining ACC Premier. The ACC Premier GEN2 borrows improvements made with the ACC Elite.

An evolution of competitive shooting, the MDT ACC Premier GEN2 Chassis System offers superior precision, stability, rigidity. The wide, thick and flat forend eliminates flex and torsion, creating a highly stable platform on barricades and other PRS props. It also features a full-length integrated ARCA rail to mount bipods and tripods for enhanced stability. Features a compact 15" forend, comfortably accommodating barrels starting at 17". The MDT ACC Premier GEN2 is compatible with a variety of weights to help you achieve that perfect balance.

The ability to finely tune your hand position, cheek weld, and length of pull provides a comfortable shooting experience tailored to you. A wide array of optional accessories that expand and enhance functionality are also available. Upgrade your rifle with ease and hit the range in no time. Simply drop your action into place and tighten two screws. No need for complicated gunsmithing.

# Safety Instruction Guide for ACC Premier Gen 2 System

## Introduction

Thank you for choosing the ACC Premier Gen 2 System. This guide provides essential safety instructions to ensure the safe use and handling of your rifle chassis. Please read this document carefully and keep it for future reference.

## General Safety Guidelines

- Ensure that all safety guidelines are followed during the handling and use of the ACC Premier Gen 2 System.
- Always treat your rifle as if it is loaded, even when you believe it is not.
- Keep the rifle pointed in a safe direction at all times.
- Store the rifle in a secure location, away from children and unauthorized users.
- Regularly inspect your rifle for any signs of wear or damage before use.
- Use only compatible accessories and components as specified by the manufacturer.
- Be aware of your surroundings and ensure that you have a clear shooting area.
- Always wear appropriate safety gear, including eye and ear protection, while using the rifle.

## Specific Safety Precautions for Use

- Do not modify the ACC Premier Gen 2 System in any way that is not authorized by the manufacturer.
- Ensure that the action is open and the chamber is empty before installing or removing the rifle from the chassis.
- Confirm that the rifle is securely mounted within the chassis before use.
- Avoid using the rifle in adverse weather conditions that may affect performance and safety.
- Be cautious when using bipods or tripods; ensure they are securely mounted to prevent accidents.
- Follow all local laws and regulations regarding firearm use and ownership.

## Instructions for Installation and Usage

### Installation

1. **Prepare Your Workspace:** Ensure that your workspace is clean, dry, and free from distractions.
2. **Open the Action:** Confirm that the rifle's action is open and the chamber is empty.
3. **Position the Chassis:** Place the ACC Premier Gen 2 System chassis on a stable surface.
4. **Insert the Rifle:** Carefully drop your action into the chassis, ensuring it fits securely.
5. **Tighten Screws:** Use the provided screws to tighten the action into place. Do not overtighten, as this may damage the chassis.
6. **Check Stability:** Ensure that the rifle is stable and securely mounted before proceeding to use.

### Usage

- Always follow the manufacturer's recommendations for ammunition and accessories.
- Adjust the forend and cheek weld to ensure a comfortable shooting position.
- Regularly check the stability of the rifle during use, especially when using it on barricades or other props.
- After use, clean the rifle according to the manufacturer's instructions to maintain its performance and safety.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- When disposing of the ACC Premier Gen 2 System or any related components, follow local laws regarding firearm disposal.
- Ensure that all hazardous materials (e.g., batteries, lubricants) are disposed of in an environmentally safe manner.

## Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's website or contact your local authorized dealer.

Thank you for your attention to these safety instructions. Your safety and the safety of others depend on responsible handling and use of the ACC Premier Gen 2 System. Enjoy your shooting experience responsibly!
