# Safety Instruction Guide for 45 70 Magazine End Cap Bullet Design

## Introduction

Thank you for choosing the 45 70 Magazine End Cap Bullet Design for your Marlin 1895 4570 rifle. This product enhances the aesthetic of your firearm while maintaining functionality. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the end cap is compatible with sporterstyle magazine tubes only.
- Do not use this product with long magazines, as recoil may damage the end caps.
- Always handle firearms with care and follow standard firearm safety practices.
- Store the end cap in a safe place away from children and unauthorized users.
- Regularly inspect the end cap for any signs of wear or damage before use.

## Specific Safety Precautions for Use

- **Compatibility:** Only use the end cap with sporterstyle magazine tubes. Using it with long magazines can result in malfunction or damage.
- **Installation:** Follow the installation instructions carefully to avoid improper fitting, which may lead to safety issues.
- **Handling:** Always ensure the firearm is unloaded before attaching or detaching the end cap.
- **Inspection:** Frequently check the end cap for cracks or deformities. Do not use if damaged.
- **Recoil Awareness:** Be mindful of recoil when firing your rifle, as excessive recoil may impact the integrity of the end cap.

## Instructions for Installation and Usage

### Installation Steps

1. **Preparation:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Cap:** If applicable, carefully remove the existing magazine end cap from your rifle.
3. **Align the End Cap:** Position the 45 70 Magazine End Cap over the magazine tube.
4. **Secure the Cap:** Firmly twist or press the end cap into place until it is secure. Ensure it is fitted snugly without excessive force.
5. **Final Check:** Doublecheck the installation to confirm that the end cap is properly attached.

### Usage Instructions

- After installation, handle your rifle as you normally would, ensuring that all safety protocols are followed.
- Do not attempt to modify the end cap or use it in any manner other than intended.
- If you notice any issues with the end cap during use, cease operation immediately and inspect for damage.

## Disposal Instructions

- Dispose of the end cap in accordance with local regulations.
- If the end cap is damaged or no longer in use, consider recycling it if possible, or dispose of it in a safe manner to prevent harm to the environment.

## **Contact Information for Further Support**

For safety inquiries or concerns regarding this product, please refer to the appropriate EU contact point for consumer safety.

## **Conclusion**

Your safety is our priority. By following these guidelines, you can ensure the safe and effective use of the 45 70 Magazine End Cap Bullet Design. Always stay informed about product recalls and safety updates through the EU's Safety Gate platform. Thank you for choosing our product, and enjoy your shooting experience!
