# Safety Instruction Guide for 45 70 Magazine End Cap Bullet Design

## Introduction

Thank you for choosing the 45 70 Magazine End Cap Bullet Design for your Marlin 1895 4570 rifle. This product adds a unique design element to your firearm while ensuring a refined appearance. It is essential to follow the safety instructions outlined in this guide to ensure the safe use of the product.

## General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or removing the magazine end cap.
- Inspect the magazine tube and end cap for any signs of damage or wear before use.
- Only use the magazine end cap with sporterstyle magazine tubes.
- Do not use the end cap with long magazines, as recoil may damage the end caps.
- Keep the end cap and all firearm accessories out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

### • Hazard Identification:

- The end cap is designed specifically for sporterstyle magazine tubes. Using it with incompatible tubes may lead to malfunction or damage.
- The recoil from firing may cause the end cap to loosen or become damaged if used improperly.

### • Clear Instructions for Avoiding Hazards:

- Ensure compatibility with your firearm before installation.
- Regularly check the end cap for tightness and integrity during use.
- If you notice any damage or wear, discontinue use immediately and consult a professional.

### • Age or Audience Specific Warnings:

- This product is not intended for use by individuals under the age of 18 without adult supervision.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your firearm is completely unloaded before beginning installation.
- Remove the existing end cap (if applicable) from the magazine tube by unscrewing it counterclockwise.
- Take the new magazine end cap and align it with the threads of the magazine tube.
- Screw the end cap onto the magazine tube by turning it clockwise. Ensure it is firmly secured but do not overtighten.
- Check that the end cap is properly aligned and does not obstruct the magazine function.

### 2. Usage:

- Always handle your firearm responsibly and in accordance with local laws and regulations.
- Regularly inspect the end cap during use to ensure it remains secure and undamaged.

- If you experience any issues with the end cap or magazine tube, cease use immediately and seek assistance.

## **Disposal Instructions**

- Dispose of any damaged or worn end caps in accordance with local waste disposal regulations.
- Do not throw the end cap in regular household waste if it is made from materials that require special handling.
- If unsure about disposal methods, consult local authorities or waste management services.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please refer to the contact information provided by the manufacturer or retailer where the product was purchased. Ensure you have the product details on hand for a more efficient response.

Thank you for using the 45 70 Magazine End Cap Bullet Design. Your safety and the safety of others is our top priority. Enjoy your shooting experience responsibly!
