

45 70 Magazine End Cap Bullet Design - Marlin 45-70 Spiral Mag Tube End Cap Gold

[Home](#)

Experience maximum reliability with RPP's self-cleaning magazine follower, perfectly designed for your Marlin rifles. Made from rugged 7075 aluminum and hard-anodized to military specifications, this follower delivers exceptional durability and smooth operation—far superior to traditional plastic followers and rust-free compared to stainless steel.

Key Features: – Self-cleaning: The grooved surface removes debris for consistent, dependable performance.

– Compatibility: Works with all ammunition types, including Hornady FTX.

– Material: Constructed from high-strength 7075 aluminum, Type III hard anodized.

Safety Instruction Guide for 45 70 Magazine End Cap Bullet Design

Introduction

Thank you for purchasing the 45 70 Magazine End Cap Bullet Design for your Marlin rifles. This product is designed to enhance the performance of your firearm while ensuring safety and reliability. Please read this safety instruction guide carefully to understand how to use the product safely and effectively, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms with care and follow all safety protocols.
- Keep the product out of reach of children and unauthorized users.
- Regularly check for signs of wear or damage to the product.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms.
- Ensure that the magazine end cap is securely attached before use.
- Do not attempt to modify the magazine end cap or any components.
- Use only compatible ammunition types as specified in the product description.
- Do not exceed the recommended capacity of the magazine.
- Inspect the magazine end cap regularly for debris and clean as necessary.
- Avoid using the product in extreme weather conditions that may affect performance.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing magazine end cap from the Marlin rifle.
- Align the new 45 70 Magazine End Cap with the magazine tube.
- Press firmly to secure the end cap in place until it clicks.
- Verify that the end cap is properly installed and does not move.

2. Usage

- Load the magazine with compatible ammunition types only.
- Ensure that the magazine is properly seated in the rifle before firing.
- After use, check the magazine end cap for debris and clean as necessary.
- Store the rifle and magazine in a safe location when not in use.

Disposal Instructions

- Dispose of the product responsibly in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the 45 70 Magazine End Cap Bullet Design, please refer to the manufacturer's contact information provided with your product packaging. Ensure you have the product details ready when seeking assistance.

By following these safety guidelines and instructions, you can ensure the safe and effective use of your 45 70 Magazine End Cap Bullet Design. Thank you for prioritizing safety and compliance with EU regulations.
