# Marlin Lever Quick Takedown 45 Colt (Steel) Ranger Point Store Marlin 357 Mag Lever Takedown Screw Safety Instructions

## Introduction

Thank you for choosing the Marlin Lever Quick Takedown 45 Colt (Steel) Ranger Point Store Marlin 357 Mag Lever Takedown Screw. This product is designed to enhance your shooting experience by making the maintenance of your Marlin leveraction rifle more efficient. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your Marlin leveraction rifle before using this product.
- Always handle firearms with care and follow all safety protocols associated with firearm use.
- Keep this product and all related tools out of reach of children and unauthorized users.
- Regularly inspect the screw for wear and damage before use. Replace if necessary.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Only use the Marlin Lever Quick Takedown Screw with Marlin leveraction rifles that are compatible with the specified thread (.21028).
- Do not attempt to use this product with Henry, Smith & Wesson, Winchester, Rossi, or any other rifles not specified.
- Ensure the rifle is unloaded before installing or removing the takedown screw.
- The Oring is designed to prevent unintentional loosening; however, always check the screw's tightness before use.
- Avoid using excessive force when installing or removing the screw to prevent damage.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure your Marlin leveraction rifle is completely unloaded.
- Gather necessary tools (if any) for installation.

### 2. Installation of the Takedown Screw

- Locate the loading lever of your Marlin rifle.
- Remove the existing screw by turning it counterclockwise.
- Carefully clean the area where the screw will be installed to ensure a secure fit.
- Insert the Marlin Lever Quick Takedown Screw into the loading lever hole.
- Turn the screw clockwise until it is securely tightened, ensuring the Oring is properly seated.

### 3. Usage

- To remove the loading lever for cleaning, simply turn the takedown screw counterclockwise.
- Replace the standard lever with larger loop levers as needed by following the same installation steps.

### 4. PostUsage Inspection

- After using the rifle, inspect the takedown screw for any signs of wear or damage.
- Ensure the screw remains securely in place before storing the rifle.

## **Disposal Instructions**

- Dispose of any damaged or worn screws in accordance with local regulations for metal waste.
- Do not dispose of the product in general household waste. Check with local authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the Marlin Lever Quick Takedown 45 Colt (Steel) Ranger Point Store Marlin 357 Mag Lever Takedown Screw, please refer to the manufacturer's website or contact a local dealer for assistance.

By following these guidelines, you can ensure a safe and enjoyable experience with your Marlin leveraction rifle and the associated takedown screw. Thank you for your attention to safety.
