Ranger Point Precision Handguard Set for Lever-Action Rifles Modern Handling:

Designed for the “thumb-over” style, ideal for flexible optics and accessory mounting. High-Quality Materials: Made from 6061 aluminum with Type III hard anodizing. Manufactured and coated in Texas, USA. Complete Set: Includes a 13.25" (33.7 cm) handguard, heat shield, and an 11" (27.9 cm) Picatinny rail with an opening for iron sights.

Not compatible with: Henry Color Case Hardened 45-70 (H010GCC), Golden Boy models (H006), Henry brass receivers, Long Ranger, Single Shot, .22 rimfire, and barrel-band models.

Note: Big Boy models (.357 Mag, .44 Mag, .45 Colt) require a different item number (SKU 8029), as the receiver is drilled differently.

# Pewview Henry Rifle Caliber Rail System Safety Instructions

## Introduction

Thank you for choosing the Pewview Henry Rifle Caliber Rail System. This guide provides essential safety instructions to ensure the safe use and handling of your product. Please read this manual carefully before installation and usage.

## General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Ensure that the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Use only the specified ammunition type for your rifle.
- Ensure that the handguard is securely attached before use.
- Regularly inspect the rail system for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm use and storage.
- Keep firearms out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Compatibility:** This rail system is not compatible with the following models:
  - Henry Color Case Hardened 4570 (H010GCC)
  - Golden Boy models (H006)
  - Henry brass receivers
  - Long Ranger
  - Single Shot
  - .22 rimfire
  - Barrelband models
- **Big Boy Models:** If you own a Big Boy model (.357 Mag, .44 Mag, .45 Colt), please note that a different item number (SKU 8029) is required due to different receiver drilling.
- **Installation:** Ensure that the handguard and rail are installed according to the instructions provided to avoid any accidents.
- **Handling:** When handling the rifle, ensure that the handguard does not obstruct any operational parts of the firearm.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the rifle is unloaded.
- Use a clean, flat workspace to avoid losing small parts.
- Follow the manufacturer's instructions for attaching the handguard and Picatinny rail.
- Tighten all screws and fittings securely, but do not overtighten as this may damage the components.
- Check the stability of the handguard and rail before use.

### 2. Usage:

- When using the rifle, ensure that all accessories mounted on the Picatinny rail are securely

- attached.
- Adjust optics as necessary for your shooting needs.
- Maintain a proper shooting stance and grip for maximum control.
- After use, clean the rail system according to the manufacturer's recommendations.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- If the product is damaged or no longer in use, consider recycling the materials where possible.

## Contact Information for Further Support

For any queries or concerns regarding the Pewview Henry Rifle Caliber Rail System, please refer to the contact information provided with your product purchase. Always ensure that you have the most up-to-date information regarding safety and usage instructions.

By following these safety instructions, you can ensure a safer and more enjoyable experience with your Pewview Henry Rifle Caliber Rail System. Thank you for prioritizing safety.
