Pewview Smith Wesson Rifle Caliber Rail System Safety Instruction Guide

Introduction

Thank you for choosing the Pewview Smith Wesson Rifle Caliber Rail System. This guide provides essential safety instructions and usage guidelines to ensure your product is used safely and effectively. Please read this manual carefully before installation and use.

General Safety Guidelines

- Ensure the product is installed correctly to prevent accidents.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the rail system for any signs of damage or wear.
- Report any unsafe conditions or accidents to the relevant authorities.
- Stay informed about any recall updates through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Do not exceed the manufacturer's specified weight limits for mounted accessories.
- Ensure that all accessories mounted on the rail system are securely fastened.
- Avoid using the rail system with incompatible accessories.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

1. Installation Instructions

- Ensure the firearm is unloaded before installation.
- Remove the existing handguard according to the firearm's manual.
- Align the Pewview MLOK Rail System with the mounting points on the firearm.
- Secure the rail system using the provided hardware, ensuring all screws are tightened properly.
- Attach any accessories to the Picatinny rail or MLOK slots as needed.

2. Usage Instructions

- Familiarize yourself with the ergonomic design and features of the rail system before use.
- Adjust the stock for a comfortable fit, ensuring that the cheek rest is aligned with your line of sight.
- Practice the modern "thumbover" shooting style for optimal performance.
- Regularly clean the rail system to maintain its functionality and appearance.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- For aluminum components, check for recycling options in your area.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety, installation, or usage, please refer to the manufacturer's contact information

provided with your product.
