Safety Instruction Guide for Rossi 92 Citadel Lever Stock

Introduction

Thank you for choosing the Rossi 92 Citadel Lever Stock. This guide provides essential safety instructions, installation guidelines, and disposal information to ensure the safe use of your product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide thoroughly before using the product.

General Safety Guidelines

- Always ensure that the Rossi 92 Citadel Lever Stock is compatible with your specific lever gun model before installation.
- Inspect the stock for any visible damage or defects before use. Do not use the product if any damage is found.
- Keep the stock out of reach of children and vulnerable individuals when not in use.
- Use the product only for its intended purpose as specified in this guide.
- Be aware of your surroundings when handling firearms equipped with the lever stock to avoid accidents.
- Report any unsafe products or incidents to the relevant authorities as per local regulations.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or adjusting the stock.
- Use proper eye and ear protection when handling firearms.
- Check that all screws and fittings are securely tightened before using the firearm.
- Adjust the length of pull and cheek riser to suit your body size for optimal comfort and safety.
- Avoid using the stock in adverse weather conditions, such as heavy rain or extreme temperatures, to maintain its integrity.
- Regularly clean and maintain the stock to ensure its functionality and longevity.

Instructions for Installation and Usage

1. Installation of the Rossi 92 Citadel Lever Stock

- Ensure the firearm is completely unloaded.
- Remove the original wooden stock by unscrewing any screws or bolts securing it in place.
- Align the Rossi 92 Citadel Lever Stock with the receiver of the firearm.
- Secure the stock using the provided screws, ensuring they are tightened firmly but not overtightened.
- If needed, attach the adjustable cheek riser to achieve the desired height for aiming.

2. Adjusting Length of Pull (LOP)

- Use the additional 1/2" spacer if you require a longer length of pull.
- To adjust, simply remove the existing spacer and replace it with the additional spacer as needed.
- Ensure the spacer is securely attached before use.

3. Using the Adjustable Cheek Height

- Adjust the cheek riser by loosening the screws at the pivot points.
- Set the riser to a comfortable height to ensure proper alignment with your optics.
- Tighten the screws securely after adjustment.

4. Using the ARStyle Buttplate

- Adjust the buttplate to your preferred position using the 6position design.
- Ensure the Dead Blow recoil pad is properly positioned for optimal recoil reduction.

5. MLOK Accessory Panel

- Attach accessories to the MLOK slots as needed.
- Ensure that accessories are securely fastened to prevent them from coming loose during use.

Disposal Instructions

- Dispose of the Rossi 92 Citadel Lever Stock and any packaging materials in accordance with local regulations.
- Do not dispose of the product in regular household waste. Instead, check for designated recycling facilities for metal and plastic materials.
- Ensure that the product is unusable before disposal to prevent accidental use by others.

Contact Information for Further Support

For any inquiries regarding the Rossi 92 Citadel Lever Stock or safety concerns, please reach out to the designated contact point provided by the retailer or manufacturer. It is important to have an EUbased contact for any safety inquiries.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of the Rossi 92 Citadel Lever Stock. Always prioritize safety and proper handling of firearms to prevent accidents and injuries. Thank you for your attention to these guidelines. Enjoy your product responsibly!
