Safety Instruction Guide for Costa Hugtek GForce Arms MLOK Rail System

Introduction

Thank you for choosing the Costa Hugtek GForce Arms MLOK Rail System. This guide provides important safety information and instructions for the proper use and maintenance of the product. Please read this guide carefully to ensure safe and effective usage.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for installation and usage.
- Regularly inspect the product for any signs of wear or damage before each use.
- Keep the product out of reach of children and vulnerable individuals.
- Always use appropriate safety gear, including eye protection, when handling firearms.
- If you experience any issues or concerns with the product, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Ensure that your firearm is unloaded before installing or adjusting the rail system.
- Avoid using the rail system with accessories that exceed the maximum load capacity of 45 kg (100 lbs).
- Be cautious when adjusting the rail system to avoid pinching fingers or causing injury.
- Ensure all mounting points are securely tightened before use to prevent any accidents.
- Do not modify the rail system in any way that may compromise its integrity or safety.

Instructions for Installation and Usage

1. Installation

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Identify the mounting points on your firearm where the MLOK Rail System will be attached.
- Align the rail system with the mounting points and insert the provided screws into the MLOK slots.
- Use a suitable tool to tighten the screws securely, ensuring the rail system is firmly attached.

2. Usage

- Attach your desired accessories to the Gator Rail MLOK slots as needed.
- Make lateral adjustments at the receiver interface and mounting tenon for a proper fit.
- Use the vertical adjustments at each Gator Rail to customize the positioning of your accessories.
- Always check that accessories are securely attached before use.

3. Maintenance

- Regularly clean the rail system to remove any dirt or debris.
- Inspect all components for signs of wear or damage and replace as necessary.
- Store the product in a dry, cool place when not in use to prevent corrosion or damage.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in general waste if it contains any hazardous materials.

- Check with local authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product support, please contact the manufacturer or your local distributor. Ensure you have your product details available when seeking assistance.

By following these guidelines and instructions, you can ensure a safe and enjoyable experience with the Costa Hugtek GForce Arms MLOK Rail System. Thank you for your attention to safety.
