Marlin Lever Quick Takedown 45 Colt (Steel) Ranger Point Store Marlin 44 Mag Lever Takedown Screw (Stainless) Safety Instructions

Introduction

Thank you for choosing the Marlin Lever Quick Takedown 45 Colt and the Marlin 44 Mag Lever Takedown Screw. This guide provides essential safety instructions to ensure safe and effective use of these products. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the product is used only as intended and in accordance with the instructions provided.
- Keep the product out of reach of children and vulnerable individuals to prevent accidental injury.
- Regularly inspect the product for any signs of wear or damage. If any issues are found, discontinue use immediately.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate protective gear, such as gloves, when handling the product.
- Be aware of your surroundings and ensure that the area is clear of obstructions before using the lever action.
- Do not attempt to modify or alter the product in any way, as this may compromise safety.
- When installing or removing the takedown screw, ensure that the firearm is unloaded and the action is open.
- Avoid using excessive force during installation or removal to prevent damage to the threads.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a suitable wrench for the oversized hex head.

2. Installation:

- Align the new Marlin 44 Mag Lever Takedown Screw with the existing screw hole.
- Insert the screw and handtighten it initially to ensure proper alignment.
- Use the wrench to securely tighten the screw, ensuring that the Oring is in place to prevent backing out.
- Do not overtighten, as this may strip the threads or damage the screw.

3. Usage:

- To remove the lever, simply loosen the takedown screw using the wrench.
- When swapping to a largeloop lever, follow the same steps for installation and removal.
- Always check the fit and secure placement of the lever before use.

4. PostInstallation Check:

- After installation, perform a visual inspection to ensure that the screw is properly seated and the lever is secure.
- Test the lever action to confirm smooth operation.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- If the product is damaged or no longer usable, consider recycling materials where possible.

Contact Information for Further Support

For any questions or concerns regarding the Marlin Lever Quick Takedown 45 Colt and the Marlin 44 Mag Lever Takedown Screw, please refer to the contact information provided on the packaging or product insert.

By following the guidelines outlined in this safety instruction guide, you can ensure a safe and enjoyable experience with your Marlin lever action products. Thank you for your attention to safety.
