

Marlin Lever Quick Takedown Screw Rp Logo - Marlin Lever Quick Takedown Screw | RP Logo Black Nitride

[Shooting Accessories](#)

These 4140 chromoly steel, black-nitrided quick-release screws allow for fast removal of the Marlin lever, making cleaning simple and efficient. Perfect for swapping standard levers to larger loop levers—ideal for gloved hands or Cowboy Action Shooting.

Secure Grip: Oversized hex head with six points ensures a non-slip hold during installation and removal.

Compatibility: Fits all Marlin lever-action rifles except the 39A.

Thread: Proprietary Marlin .210-28 thread pitch.

Anti-Loosening: Includes an O-ring to prevent accidental loosening.

Marlin Lever Quick Takedown Screw Safety Instructions

Introduction

Thank you for choosing the Marlin Lever Quick Takedown Screw. This product is designed to enhance the efficiency of your Marlin leveraction rifle by allowing for quick and easy removal of the lever. To ensure safe usage and to maximize the benefits of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the Marlin Lever Quick Takedown Screw by following all instructions and guidelines.
- **Enhanced Recalls:** Stay informed about product recalls. If a recall occurs, follow the instructions provided for returning the product or obtaining a remedy.
- **Online Shopping Safety:** When purchasing online, ensure that the seller complies with safety requirements and provides clear product information.
- **Consumer Focus:** Special care should be taken when handling this product, particularly by individuals who may be less experienced or familiar with firearm accessories.
- **EU Contact Point:** For any safety inquiries, refer to the designated EU contact point associated with this product.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates regarding unsafe products.

Specific Safety Precautions for Use

- **Handle with Care:** Always handle the Marlin Lever Quick Takedown Screw with care to avoid injury.
- **Check Compatibility:** Ensure that the screw is compatible with your specific Marlin leveraction rifle model (all models except the 39A).
- **Wear Protective Gear:** If necessary, use gloves to maintain a secure grip during installation and removal.
- **Inspect Before Use:** Before installation, inspect the screw for any signs of damage or wear. Do not use if damaged.
- **Keep Away from Children:** This product is not intended for use by children. Keep out of reach.

Instructions for Installation and Usage

1. Preparation:

- Ensure your rifle is unloaded and pointed in a safe direction.
- Gather necessary tools, including a wrench suitable for the oversized hex head.

2. Installation:

- Align the Marlin Lever Quick Takedown Screw with the designated hole on your leveraction rifle.
- Using the wrench, securely tighten the screw until it is snug. Do not overtighten.
- Verify that the screw is properly seated and that the O-ring is in place to prevent loosening.

3. Usage:

- To remove the lever, simply turn the screw counterclockwise using the wrench.
- Store the screw in a safe place when not in use to prevent loss.

4. **Maintenance:**

- Regularly check the screw for signs of wear or damage.
- Clean the screw and surrounding area to ensure proper function.

Disposal Instructions

- **Disposal of the Product:** When disposing of the Marlin Lever Quick Takedown Screw, follow local regulations regarding the disposal of metal products.
- **Recycling:** If possible, recycle the product to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the Marlin Lever Quick Takedown Screw, please consult the retailer from whom you purchased the product or refer to the EU contact point associated with this product.

By following these safety instructions, you can ensure a safe and effective experience with your Marlin Lever Quick Takedown Screw. Thank you for your attention to safety!
