# Safety Instruction Guide for Henry Lok Lever Pistol Grip Stock Set

## Introduction

Thank you for choosing the Henry Lok Lever Pistol Grip Stock Set. This guide provides important safety information and instructions to ensure safe and effective use of your product. Please read this document carefully before installation and usage.

## General Safety Guidelines

- Ensure that the product is compatible with your firearm model. This stock set does not fit Henry models with a "Pistol Grip" butt stock or Rimfire .22 and .17; Golden Boys, Brass Receivers, Shotguns, Long Rangers, Homesteader, and Lever Supreme.
- Always handle firearms with care and follow the manufacturer's safety instructions.
- Keep the stock set and all related accessories out of reach of children and unauthorized users.
- Do not modify the stock set in any way that could compromise its integrity or safety.
- Regularly inspect the stock set for signs of wear or damage before use.

## Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before installing or adjusting the stock set.
- Use appropriate tools and follow the installation instructions to avoid injury.
- Make sure all screws are tightened securely after installation to prevent any movement during use.
- Avoid using the firearm in wet or extreme conditions without ensuring that the stock set is properly maintained.
- Be aware of your surroundings and ensure a safe shooting environment when using the firearm.

## Instructions for Installation and Usage

### Installation

#### 1. Preparation

- Gather all necessary tools, including a screwdriver and any other tools specified in the installation manual.
- Ensure the firearm is unloaded and pointed in a safe direction.

#### 2. Remove the Existing Stock

- Detach the existing stock from the firearm according to the manufacturer's instructions.

#### 3. Install the Ranger Point MLOK Handguard

- Align the handguard with the firearm's mounting points.
- Securely attach the handguard using the provided hardware and screws. Ensure all screws are tightened properly.

#### 4. Attach the Ranger Point Adjustable Butt Stock

- Slide the adjustable butt stock onto the firearm's buffer tube.
- Adjust the cheek riser and ensure the MLOK accessory panel is securely in place.

#### 5. Final Checks

- Inspect the installation for stability and ensure there are no loose components.
- Perform a function check to ensure the firearm operates correctly with the new stock set.

## **Usage**

- When using the firearm equipped with the stock set, ensure you maintain proper shooting posture and grip.
- Utilize the ergonomic design features, including deep finger grooves and rounded corners, for improved comfort and control.

## **Disposal Instructions**

- Dispose of the stock set in accordance with local regulations regarding the disposal of firearm accessories.
- If the product is damaged beyond use, ensure it is disposed of in a manner that prevents any potential harm to the environment or unauthorized use.

## **Contact Information for Further Support**

For any questions or concerns regarding the Henry Lok Lever Pistol Grip Stock Set, please refer to the manufacturer's website or contact your local retailer for assistance.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your new Henry Lok Lever Pistol Grip Stock Set. Always prioritize safety and consult professionals if you have any doubts about installation or usage.
