# Rimfire 22 Lever Action Rifle Peep Sights Safety Instructions

## Introduction

Thank you for choosing the Rimfire 22 Lever Action Rifle Peep Sights. This product is designed to enhance your shooting accuracy while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use, install, and dispose of the product safely in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that the area around you is clear of people and obstacles before shooting.
- Use appropriate eye and ear protection when shooting.
- Keep the muzzle pointed in a safe direction at all times.
- Store your firearm and accessories securely to prevent unauthorized access, especially by children.
- Regularly check the product for any signs of wear or damage before use.
- If you notice any defects or issues, do not use the product and contact a qualified gunsmith or the manufacturer for assistance.

## Specific Safety Precautions for Use

- Only use the peep sights with compatible .22 leveraction rifles that have 3/8" (9.5 mm) grooves.
- This product does not fit Henry Golden Boy, Chiappa, CZ, or Marlin 39A rifles.
- Ensure that the sight is securely attached before each use.
- Avoid adjusting the windage and elevation settings while aiming or firing.
- Do not attempt to modify or disassemble the peep sight.
- Keep your fingers away from the trigger until you are ready to shoot.
- Be aware of your surroundings and ensure a safe backstop when shooting.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the rifle is unloaded and pointed in a safe direction.
- Remove the existing sight, if applicable, by unscrewing it from the receiver.
- Align the peep sight base with the 3/8" grooves on the receiver.
- Secure the sight base using the included windage screw.
- Attach the aperture spring with the elevation screw to the sight base.
- Use the provided set screws to ensure the sight is firmly in place.
- Adjust the windage and elevation settings as needed for your shooting preferences.

### 2. Usage:

- Once installed, look through the cloverleaf ghost aperture to acquire your target.
- Adjust your position and aim carefully, ensuring the rifle is stable.
- Fire only when you are certain of your target and what lies beyond it.
- After shooting, check the sight for any movement or loosening and adjust as necessary.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations for electronic and metal waste.
- If the product is damaged or no longer usable, ensure it is securely stored until it can be disposed of properly.
- Do not throw the product in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the Rimfire 22 Lever Action Rifle Peep Sights, please refer to the manufacturer's contact information provided with your product packaging. It is important to have access to this information for safety inquiries and support.

## **Conclusion**

By following these safety instructions, you can ensure a safe and enjoyable shooting experience with your Rimfire 22 Lever Action Rifle Peep Sights. Always prioritize safety and adhere to local regulations regarding firearm usage. Thank you for your attention to these important guidelines.
