

# Rossi R95 Hypershift Pistol Grip Stock Set - Rossi R95 Lever Stock Set (Hypershift)

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

## 1. Ranger Point Handguard

Handguard was designed to provide lever gun shooters with exceptional flexibility in setup and cost while safeguarding the qualities of lightweight handling and accuracy that we love about these fine firearms.

FEATURES: 13.25" length handguard: Grippy cutouts, M-LOK accessory slots sides/bottom, QD swivel sling holes, traditional sling stud threaded hole.

MATERIAL: 6061-T6 aluminum

COATING: HYPERSHIFT CERAKOTE

MOUNTING SCREWS: Barrel Band with attachment screws, four mounting set screws

## 2. Ranger Point Adjustable Butt Stock

- Tough, robust, and weatherproof made of 6061 billet aluminum
- Lightweight at only 22 oz, less than the factory wood stock; keeps rifle perfectly balanced
- Comparable length-of-pull (LOP) to factory rifles; 1/2" spacers for longer LOP
- Adjustable comb height using four pivot points (adjust, and tighten when set) for open sights, red dots, and scopes
- AR-style 6-Position butt plate design with our proprietary "Made in Texas" DEAD BLOW recoil pad; also works with off the shelf AR pads
- Sling & Accessory attachment options:
  - a) Flush cup holes for push button swivel (underside, bottom strut)
  - b) GrovTec standard sling swivel stud (installed)
  - c) Accessory Panel with sling flush cups and M-LOK slots
  - d) Holes on upper strut for an AR-Height Optics cheek riser

# Rossi R95 Hypershift Pistol Grip Stock Set Safety Instructions

## Introduction

Thank you for choosing the Rossi R95 Hypershift Pistol Grip Stock Set. This guide provides important safety information and instructions to ensure the safe use of your product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that the Rossi R95 Hypershift Pistol Grip Stock Set is compatible with your firearm before installation.
- Always handle firearms with care and treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm and accessories in a secure location, out of reach of children and unauthorized users.
- Do not modify the stock set or any components without consulting a qualified gunsmith.
- Regularly inspect the stock set for signs of wear or damage. Do not use if damaged.
- Follow all local laws and regulations regarding firearm use and modifications.

## Specific Safety Precautions for Use

- Use only the recommended mounting screws and accessories provided with the stock set.
- Ensure that all screws are tightened properly before use to prevent any accidental disassembly.
- Be aware of the weight of the firearm with the stock set installed. Ensure proper handling to avoid strain or injury.
- When adjusting the butt stock or comb height, ensure that all adjustments are secure before use.
- If using the stock set with optics, ensure that the optics are mounted securely and are within your line of sight.
- Always wear appropriate safety gear, including eye protection, when using firearms.

## Instructions for Installation and Usage

### Installation

#### 1. Preparation:

- Ensure that the firearm is unloaded and the action is open.
- Gather all necessary tools, including the provided mounting screws.

#### 2. Remove Existing Stock:

- Carefully remove the existing stock from the firearm according to the manufacturer's instructions.

#### 3. Attach the New Stock:

- Align the Rossi R95 Hypershift Pistol Grip Stock Set with the receiver.
- Insert the mounting screws through the barrel band and tighten securely.
- Use the four mounting set screws to secure the stock in place.

#### 4. Adjustments:

- Adjust the length of pull using the provided spacers if necessary.
- Adjust the comb height using the pivot points for optimal positioning.

## 5. Final Check:

- Ensure that all screws are tightened and the stock is securely attached.
- Conduct a visual and functional inspection before use.

## Usage

- Always follow standard firearm safety practices when using your firearm equipped with the Rossi R95 Hypershift Pistol Grip Stock Set.
- Familiarize yourself with the adjustments available and make necessary changes before heading to the shooting range.

## Disposal Instructions

- Dispose of the Rossi R95 Hypershift Pistol Grip Stock Set in accordance with local regulations for electronic and metal waste.
- If you are disposing of the product due to damage or wear, ensure that it is rendered unusable before disposal.

## Contact Information for Further Support

For any inquiries regarding the Rossi R95 Hypershift Pistol Grip Stock Set or if you have safety concerns, please contact your local distributor or the manufacturer's customer service.

## Conclusion

Your safety is paramount when using firearms and their accessories. By following these guidelines and instructions, you can ensure a safe and enjoyable experience with your Rossi R95 Hypershift Pistol Grip Stock Set. Always stay informed about product recalls and safety updates through official channels. Thank you for your attention to safety.
