

Rossi 95 Lever Peep Sight - Marlin Rossi 95 Lever Rifle Peep Sight Black

[Rifle Parts](#) > [Sights](#) > [Rear Sights](#)

Marlin Rossi 95 Lever Rifle Peep Sight Black

Perfect for low-light hunting up to 200 yards (183 m), ideal within 150 yards (137 m). Designed for fast target acquisition and precise cloverleaf shot groups. Utilize the scope-like reticle and bright green fiber optics for quick aiming. Pair with a TruGlo front sight for a three-dot pistol setup (TruGlo sights not included).

Compatibility:

Fits all Rossi 95 and Marlin large caliber rifles in .45-70, .30-30, .35 Rem, .338, .308, .444, .450M, .360, .38-55.

Works with factory or replacement front sights (including fiber optic).

Package Includes:

- 1 sight base with windage screw
- 1 aperture spring with elevation screw
- 2 mounting screws
- 1 Allen wrench

Key Features:

Sleek, low-profile design with snag-free protection
Adjustable height (.26" to .36" / 0.66 cm to 0.91 cm)
Large aperture (.165") for a bright target view
Robust, interchangeable spring system for precise repeatability
Matte finish to reduce light reflection
Durable anodized aluminum or brass base

Rossi 95 Lever Peep Sight Safety Instructions

Introduction

Thank you for choosing the Rossi 95 Lever Peep Sight for your Marlin Rossi 95 Lever Rifle. This guide provides important safety instructions and information to ensure the safe and effective use of your new sight. Please read this manual carefully before installation and usage.

General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or handling the peep sight.
- Handle the sight and your rifle with care to avoid accidental discharge or injury.
- Keep the sight and all firearm accessories out of reach of children and unauthorized users.
- Regularly check the sight for any signs of damage or wear, and do not use it if it appears compromised.
- Be aware of your surroundings when hunting or shooting, and ensure you have a clear line of sight.
- Follow all local laws and regulations regarding the use of firearms and hunting.

Specific Safety Precautions for Use

- Ensure proper eye protection is worn while using the sight.
- Never look directly at the sun through the sight, as this can cause serious eye injury.
- Be familiar with your firearm's operation and ensure it is properly maintained.
- Use the sight only with compatible Rossi 95 and Marlin large caliber rifles as specified.
- If using a TruGlo front sight, ensure it is compatible and securely mounted.

Instructions for Installation and Usage

1. Installation

- Ensure the rifle is unloaded and pointed in a safe direction.
- Remove the existing rear sight if applicable.
- Align the sight base with the mounting holes on the rifle.
- Insert the provided mounting screws through the sight base into the rifle and tighten securely using the Allen wrench.
- Attach the aperture spring with elevation screw as per the instructions provided.

2. Adjustment

- Adjust the height of the sight as needed, from .26" to .36" (0.66 cm to 0.91 cm).
- Use the windage screw to make lateral adjustments for proper alignment.
- Test the sight at a safe shooting range to ensure accuracy.

3. Usage

- Use the scopelike reticle and bright green fiber optics for quick aiming.
- Aim with both eyes open for better target acquisition.
- Practice regularly to become familiar with the sight's features and capabilities.

Disposal Instructions

- Dispose of the sight and any packaging materials in accordance with local regulations.
- Do not dispose of the sight in regular household waste.
- Consider recycling materials where possible.

Contact Information for Further Support

For any questions or concerns regarding the Rossi 95 Lever Peep Sight, please refer to your retailer or manufacturer for assistance. Always ensure you have the latest information regarding safety recalls or updates through official channels.

Thank you for your attention to these safety instructions. Enjoy your hunting experience with the Rossi 95 Lever Peep Sight!
