# Safety Instruction Guide for Henry Lok Lever Pistol Grip Stock Set

## Introduction

Thank you for choosing the Henry Lever Straight Grip Stock Set (Black Multicam). This guide provides essential safety instructions and usage information to ensure you can use the product safely and effectively. Please read this document thoroughly before installation and use.

## General Safety Guidelines

- Always treat the firearm and accessories as if they are loaded.
- Keep the firearm pointed in a safe direction.
- Ensure that the firearm is unloaded before attaching or removing the stock set.
- Do not exceed the manufacturer's specifications for installation and use.
- Be aware of your surroundings and ensure no one is in the vicinity when handling the firearm.
- Store the firearm and accessories in a secure location away from children and unauthorized users.
- Regularly inspect the stock set for any signs of wear or damage before use.

## Specific Safety Precautions for Use

- Ensure compatibility: This stock set is not compatible with Henry X models with pistol grip stock, rimfire .22 and .17 models, Golden Boy, brass receiver variants, shotguns, Long Rangers, and Homesteader.
- Always use the correct tools for installation to avoid damage.
- Do not modify the stock set in any way that could compromise safety or performance.
- Use the stock set only as intended. Avoid using it in any manner that could lead to loss of control or injury.
- Be cautious when using the firearm with short barrels and suppressors, as they may affect handling and stability.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools, including a screwdriver and any other tools specified in the installation manual.
- Ensure you are in a clean, dry, and welllit environment.

### 2. Installation

- Remove the existing stock from your firearm according to the manufacturer's instructions.
- Align the Henry Lever Straight Grip Stock Set with the firearm's receiver.
- Secure the stock in place using the included tenon and two screws, followed by the four mounting screws. Ensure all screws are tightened firmly but do not overtighten.
- Check for any lateral movement to confirm a secure fit.

### 3. Usage

- Adjust the Ranger Point Adjustable Buttstock to your preferred position. The cheek rest can be adjusted in 4 positions for optimal comfort.
- Ensure the stock is properly aligned and secured before firing.
- Always follow standard firearm safety practices during use.

## **Disposal Instructions**

- Dispose of the stock set in accordance with local regulations for aluminum materials.
- If the stock set is damaged or no longer usable, consider recycling the materials at a local facility that accepts aluminum products.
- Do not dispose of the stock set in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or support related to the Henry Lever Straight Grip Stock Set, please refer to the manufacturer's contact information provided with your product. It is crucial to have access to an EUbased contact for any safety concerns.

## **Conclusion**

By following these safety instructions, you can ensure a safe and enjoyable experience with your Henry Lever Straight Grip Stock Set. Always prioritize safety and remain informed about best practices for firearm handling and maintenance. Thank you for your attention to these important safety guidelines.
