

Trigger 30 30 308 444 1894 1895 45 70 - Marlin Trigger Silver

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

The universal Marlin trigger reduces the trigger pull weight to approximately 3.5 lbs, eliminates the annoying trigger flop, and provides a wider, flatter, and lightly serrated trigger surface for a slip-resistant, comfortable trigger feel.

Product Features:

Reduces trigger pull weight to approx. 3.5 lbs (with standard hammer spring)

Wider and flatter trigger face for a natural trigger movement

Eliminates the Marlin trigger flop

Durable construction made from precision-cut, black-nitrided tool steel

SASS approved

Color: Silver

Compatibility:

Fits:

Marlin 1894 (.357 Magnum, .44 Magnum, .45 Colt, and more)

Marlin 336, 444, 308, 1895 (30-30, 35 Rem, 45-70, 450M, and more)

Does NOT fit: Rossi 95 and 1854 models.

Trigger 30 30 308 444 1894 1895 45 70 Marlin Trigger Silver Safety Instructions

Introduction

Thank you for choosing the Trigger 30 30 308 444 1894 1895 45 70 Marlin Trigger Silver. This product is designed to enhance your shooting experience by providing a smoother and more reliable trigger pull. To ensure your safety and the proper functioning of the product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure that your trigger is installed correctly and securely before use.
- Do not modify the trigger or any other part of the firearm beyond the manufacturer's specifications.
- Store firearms and ammunition in a secure location out of reach of children and unauthorized users.
- Always wear appropriate safety gear, including eye and ear protection, when handling firearms.
- Be aware of your surroundings and ensure that you are in a safe environment when using your firearm.
- Regularly inspect your firearm and trigger for wear and tear, and replace any damaged parts immediately.

Specific Safety Precautions for Use

- Ensure that the trigger pull weight is set to approximately 3.5 lbs with the standard hammer spring.
- Familiarize yourself with the trigger's wider and flatter face, which is designed for natural trigger movement.
- Avoid using the trigger if you notice any unusual resistance or if it feels loose.
- Do not use the trigger with incompatible firearms, such as Rossi 95 and 1854 models, as this may lead to malfunction or injury.
- If you experience any issues during use, cease operation immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation

1. **Ensure Safety:** Before beginning installation, ensure that the firearm is unloaded and pointed in a safe direction.
2. **Remove the Old Trigger:** Follow the manufacturer's guidelines to safely remove the existing trigger from your firearm.
3. **Install the New Trigger:**
 - Align the new Marlin trigger with the trigger mechanism.
 - Secure the trigger in place according to the manufacturer's instructions.
4. **Check Functionality:** After installation, perform a function check to ensure that the trigger operates smoothly and safely.

Usage

- When ready to shoot, ensure that your firearm is in a safe condition and that you are familiar with its operation.
- Practice proper trigger control and finger placement to avoid accidental discharges.
- Regularly check the trigger's functionality during use, ensuring it remains secure and operates as intended.

Disposal Instructions

- Dispose of any old triggers or parts in accordance with local regulations.
- Do not dispose of the product in regular household waste. Instead, contact your local waste management authority for proper disposal methods.
- Ensure that all components are rendered unusable before disposal to prevent any potential accidents.

Contact Information for Further Support

For any questions or concerns regarding the Trigger 30 30 308 444 1894 1895 45 70 Marlin Trigger Silver, please refer to the manufacturer's website or customer service channels for assistance.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your new trigger. Always prioritize safety and responsible firearm handling.
