

Trigger 30 30 308 444 1894 1895 45 70 - Marlin Trigger Black

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

The universal Marlin trigger reduces the trigger pull weight to approximately 3.5 lbs, eliminates the bothersome trigger flop, and features a wider, flatter, and lightly serrated trigger surface for a slip-resistant, comfortable feel.

Product Features:

Reduces trigger pull weight to approx. 3.5 lbs (with standard hammer spring)
Wider and flatter trigger face for a natural trigger movement
Eliminates the Marlin trigger flop
Durable construction made from precision-cut, black-nitrided tool steel

Trigger 30 30 308 444 1894 1895 45 70 Marlin

Trigger Safety Instructions

Introduction

Thank you for choosing the Trigger 30 30 308 444 1894 1895 45 70 Marlin Trigger. This product is designed to enhance your shooting experience by providing a reliable and comfortable trigger pull. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always treat firearms and their components as if they are loaded.
- Keep the firearm pointed in a safe direction at all times.
- Be aware of your surroundings and ensure that no one is in the line of fire.
- Store the trigger and your firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the trigger and firearm for any signs of wear or damage before use.
- Do not modify the trigger or firearm in any way that could compromise safety.

Specific Safety Precautions for Use

- Ensure that the trigger is compatible with your Marlin firearm model before installation.
- Always use the trigger in accordance with the manufacturer's guidelines.
- Avoid using the trigger in wet or damp conditions to prevent corrosion.
- Do not use the trigger with ammunition that exceeds the specifications of your firearm.
- If you experience any malfunctions or irregularities during use, cease operation immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation

1. **Read the Manual:** Before installation, read the instruction manual provided with your firearm.
2. **Gather Tools:** You will need basic tools such as a screwdriver and possibly a punch tool for installation.
3. **Safety First:** Ensure your firearm is unloaded and pointed in a safe direction.
4. **Remove the Old Trigger:** Follow the manufacturer's instructions to safely remove the existing trigger from your firearm.
5. **Install the New Trigger:**
 - Align the new trigger with the trigger housing.
 - Securely fasten the trigger into place, ensuring it is properly seated.
6. **Test Functionality:** After installation, test the trigger functionality without ammunition. Ensure it operates smoothly.

Usage

- When using the trigger, maintain a firm grip on the firearm.
- Apply gradual pressure to the trigger for a controlled shot.
- If you notice any unusual resistance or movement, stop using the firearm and inspect it immediately.

Disposal Instructions

- Dispose of the trigger in accordance with local regulations for hazardous materials.
- Do not dispose of the trigger in regular household waste.
- If you are unsure about proper disposal methods, consult local authorities or a waste disposal service.

Contact Information for Further Support

For any safety inquiries or concerns, please refer to the contact information provided in your product packaging or consult your local retailer.

Conclusion

By following these safety instructions, you will help ensure a safe and enjoyable experience with your Trigger 30 30 308 444 1894 1895 45 70 Marlin Trigger. Remember to prioritize safety at all times and stay informed about any product recalls or safety updates. Thank you for your commitment to responsible firearm use.
