

## Rossi 95 Lever Quick Takedown Steel Screw (Star) - Rossi 95 45-70 Lever Takedown Screw (black)

[Rifle Parts](#) > [Receiver Parts](#) > [Takedown Parts](#) > [Screws](#)

Oversized Quick-Release Screws for Rossi 95 Lever-Action Material:  
High-quality 4140 chromoly steel with a black nitride finish for durability and corrosion resistance. Compatibility: Designed specifically for Rossi 95 rifles (10-32 thread pitch). Not compatible with Rossi 92, Rio Grande, or Rio Bravo .22 rifles. Precision Fit: Large hex-head screws provide a secure grip during installation and removal, preventing slipping. Practical and Secure: O-ring prevents loosening. Makes lever removal easier—ideal for cowboy action shooting or use with gloves. Easy Cleaning: Allows quick lever disassembly for thorough cleaning without modifying the rifle. Note: Not compatible with Marlin or 1854 models.

# Safety Instruction Guide for Rossi 95 Lever Quick Takedown Steel Screw

## Introduction

Thank you for purchasing the Rossi 95 Lever Quick Takedown Steel Screw. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this guide carefully before installation and usage.

## General Safety Guidelines

- Always follow the manufacturer's instructions for installation and use.
- Ensure that the product is used only for its intended purpose.
- Keep all products out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- If you notice any issues, cease use immediately and seek assistance.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about product recalls through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- **Hazard Identification:** Improper installation may lead to malfunction or injury. Use of incompatible models may pose safety risks.
- **Avoiding Hazards:** Always verify compatibility with Rossi 95 rifles (1032 thread pitch). Do not attempt to use this product with Rossi 92, Rio Grande, or Rio Bravo .22 rifles. Ensure the lever is secured properly to avoid accidental disassembly during use.
- **Age Specific Warnings:** This product is not intended for use by individuals under the age of 18 without adult supervision.

## Instructions for Installation and Usage

1. **Preparation:** Gather all necessary tools, including a hex wrench compatible with the hexhead screws. Ensure the rifle is unloaded and in a safe condition before beginning installation.
2. **Installation:** Align the oversized quickrelease screw with the lever assembly on the Rossi 95 rifle. Using the hex wrench, tighten the screw securely but do not overtighten, as this may damage the screw or the rifle. Ensure the Oring is properly seated to prevent loosening during use.
3. **Usage:** To remove the lever, simply loosen the screw with the hex wrench. For cleaning, disassemble the lever as needed and ensure all components are clean before reassembly. Always check the tightness of the screw before each use to ensure safety.

## Disposal Instructions

- Dispose of the product responsibly and in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check with local waste management services for proper disposal methods for metal and plastic materials.

## Contact Information for Further Support

For further support or inquiries regarding safety, please refer to the manufacturer's contact information provided with your product packaging.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your Rossi 95 Lever Quick Takedown Steel Screw. Thank you for your attention to safety and responsible usage.
