

# Rossi 95 Lever Quick Takedown Steel Screw (Star) - Rossi 95 T-Rex Lever Takedown Screw (black)

[Rifle Parts](#) > [Receiver Parts](#) > [Takedown Parts](#) > [Screws](#)

Oversized Quick-Release Screws for Rossi 95 Lever-Action Material:

High-quality 4140 chromoly steel with a black nitride coating for durability and corrosion resistance. Compatibility: Specifically designed for Rossi 95 rifles (10-32 thread pitch). Not suitable for Rossi 92, Rio Grande, or Rio Bravo .22 rifles. Precision Fit: Large hex-head screws provide a secure grip during installation and removal without slipping. Practical and Secure: O-ring prevents the screw from backing out. Simplifies lever changes—ideal for cowboy action shooting or use with gloves. Easy Cleaning: Enables quick lever removal for thorough cleaning without modifying the rifle. Note: Not compatible with Marlin or 1854 models.

# Rossi 95 Lever Quick Takedown Steel Screw Safety Instruction Guide

## Introduction

Thank you for purchasing the Rossi 95 Lever Quick Takedown Steel Screw. This guide provides important safety instructions, installation guidelines, and disposal instructions to ensure safe and effective use of the product. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that the Rossi 95 Lever Quick Takedown Steel Screw is used only with compatible Rossi 95 rifles.
- Do not use this product with Rossi 92, Rio Grande, or Rio Bravo .22 rifles, as it may not fit properly and could cause injury.
- Always handle the screws with care to avoid injury from sharp edges.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the screws for signs of wear or damage. If any issues are found, discontinue use immediately.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the rifle is unloaded before attempting to install or remove the screws.
- Use gloves if necessary to maintain a secure grip and to prevent slipping during installation and removal.
- Avoid using excessive force when tightening or loosening the screws to prevent stripping the threads.
- Always check that the O-ring is intact and functioning properly to prevent the screw from backing out during use.
- If you experience any difficulty during installation, consult a qualified gunsmith for assistance.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the rifle is completely unloaded and pointed in a safe direction.
- Gather necessary tools, including a suitable hex wrench for the large hexhead screws.

### 2. Installation:

- Locate the screw hole on the Rossi 95 rifle where the takedown screw will be installed.
- Insert the screw into the hole, ensuring it is aligned properly.
- Using the hex wrench, tighten the screw gently. Avoid overtightening to prevent damage.

### 3. Removal:

- To remove the screw, use the hex wrench to turn it counterclockwise.
- Once loosened, carefully pull the screw out of the hole.

### 4. Cleaning:

- After use, it is advisable to clean the area around the screw to prevent buildup of dirt or debris.
- If necessary, remove the screw for thorough cleaning of the lever action mechanism.

## Disposal Instructions

- Dispose of the Rossi 95 Lever Quick Takedown Steel Screw in accordance with local regulations.
- If the product is damaged or no longer needed, ensure that it is disposed of safely to prevent any potential hazards.

## Contact Information for Further Support

For any questions or concerns regarding the Rossi 95 Lever Quick Takedown Steel Screw, please consult your retailer or manufacturer. Ensure that you have your product details ready for efficient assistance.

Thank you for following these safety instructions. Your adherence to these guidelines ensures not only your safety but also the proper functioning of your Rossi 95 rifle.
