

Rossi 95 Lever Quick Takedown Steel Screw (Star) - Rossi 95 30-30 Win Lever Takedown Screw (Black)

[Rifle Parts](#) > [Receiver Parts](#) > [Takedown Parts](#) > [Screws](#)

Oversized Quick-Release Screws for Rossi 95 Lever-Action Material: High-quality 4140 chromoly steel with a black nitride coating for durability and corrosion protection. Compatibility: Specifically designed for Rossi 95 rifles (10-32 thread pitch). Not suitable for Rossi 92, Rio Grande, or Rio Bravo .22 rifles. Precision Fit: Large hex-head screws provide a secure grip during installation and removal without slipping. Practical and Secure: An O-ring prevents the screw from loosening. Makes lever changes easier—ideal for cowboy action shooting or when wearing gloves. Easy Cleaning: Allows quick lever removal for thorough cleaning without modifying the rifle. Note: Not compatible with Marlin or 1854 models.

Rossi 95 Lever Quick Takedown Steel Screw

Safety Instructions

Introduction

Thank you for purchasing the Rossi 95 Lever Quick Takedown Steel Screw. This product is designed to enhance the performance of your Rossi 95 rifle. Please read this safety instruction guide carefully to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is used only as intended and according to the manufacturer's instructions.
- Always handle firearms with care and follow all safety protocols associated with firearm use.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any signs of wear or damage to the screws and replace them if necessary.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Only use the Rossi 95 Lever Quick Takedown Steel Screw with compatible Rossi 95 rifles.
- Do not attempt to use this product with Rossi 92, Rio Grande, or Rio Bravo .22 rifles.
- Ensure that the screw is properly tightened before using the rifle to prevent any accidents.
- Be cautious when handling the screws, as they may have sharp edges.
- Use gloves if necessary to protect your hands during installation and removal.

Instructions for Installation and Usage

1. Preparation:

- Ensure your Rossi 95 rifle is unloaded and pointed in a safe direction.
- Gather the necessary tools, including a suitable wrench for the hexhead screws.

2. Installation:

- Locate the existing screw on the lever of your Rossi 95 rifle.
- Using the wrench, carefully remove the old screw.
- Take the Rossi 95 Lever Quick Takedown Steel Screw and align it with the screw hole.
- Insert the screw and tighten it securely using the wrench. Ensure it is snug but do not overtighten, as this may damage the threads.

3. Usage:

- To remove the lever for cleaning, simply reverse the installation steps.
- Use the Oring feature to ensure that the screw remains secure during use.
- After removing the lever, clean the rifle thoroughly before reassembling.

4. PostInstallation Check:

- After installation, check that the lever operates smoothly.
- Verify that the screw is not loosening during use. If it does, retighten as necessary.

Disposal Instructions

- Dispose of any old screws and packaging materials in accordance with local waste disposal regulations.
- Do not dispose of the product in general household waste. Check for recycling options in your area.

Contact Information for Further Support

For further assistance or inquiries regarding the Rossi 95 Lever Quick Takedown Steel Screw, please refer to the manufacturer's official contact points or website.

Thank you for choosing the Rossi 95 Lever Quick Takedown Steel Screw. Your safety and satisfaction are our top priorities.
