

Rossi 95 Lever Quick Takedown Steel Screw (Star) - Rossi 95 Star Lever Takedown Screw (Black)

[Rifle Parts](#) > [Receiver Parts](#) > [Takedown Parts](#) > [Screws](#)

Oversized Quick-Release Screws for Rossi 95 Lever-Action Material:
High-quality 4140 chromoly steel with a black nitride coating for durability and corrosion protection. Compatibility: Specifically designed for Rossi 95 rifles (10-32 thread pitch). Not suitable for Rossi 92, Rio Grande, or Rio Bravo .22 rifles. Precision Fit: Large hex-head screws provide a secure grip during installation and removal without slipping. Practical and Secure: An O-ring prevents the screw from loosening. Makes lever changes easier—ideal for cowboy action shooting or when wearing gloves. Easy Cleaning: Allows quick lever removal for thorough cleaning without modifying the rifle. Note: Not compatible with Marlin or 1854 models.

Rossi 95 Lever Quick Takedown Steel Screw

Safety Instruction Guide

Introduction

Thank you for choosing the Rossi 95 Lever Quick Takedown Steel Screw. This guide provides essential safety instructions and usage information to ensure safe handling and installation of the product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the product is compatible with your Rossi 95 rifle model (1032 thread pitch) before installation.
- Do not use this product with Rossi 92, Rio Grande, or Rio Bravo .22 rifles, or with Marlin or 1854 models.
- Always inspect the screws for any damage or wear before installation.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or incidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use gloves when handling the screws to avoid oils or dirt transfer.
- Ensure the rifle is unloaded and the action is open before attempting to install or remove the screws.
- Avoid overtightening the screws to prevent damage to the rifle or the screws themselves.
- Be cautious of sharp edges on the screws during installation and removal.
- If you experience any difficulty during installation, consult a professional gunsmith.

Instructions for Installation and Usage

1. Preparation

- Ensure the rifle is unloaded and pointed in a safe direction.
- Gather necessary tools: a suitable wrench for the hexhead screws.

2. Installation

- Align the oversized quickrelease screw with the takedown point of the Rossi 95 rifle.
- Insert the screw into the designated hole and handtighten it to ensure proper alignment.
- Use the wrench to tighten the screw securely, but avoid excessive force to prevent damage.

3. Removal

- To remove the screw, use the wrench to loosen it gently.
- Once loosened, unscrew it by hand.
- Store the screw in a safe place when not in use.

4. Cleaning

- After installation or removal, clean the area around the takedown point to prevent debris from affecting functionality.
- Regularly check the screw for looseness and tighten as necessary.

Disposal Instructions

- Dispose of any damaged or worn screws in accordance with local regulations.
- Do not dispose of screws in regular household waste. Instead, consider recycling options if available.

Contact Information for Further Support

For further assistance or inquiries regarding the Rossi 95 Lever Quick Takedown Steel Screw, please consult your local dealer or manufacturer's website for support.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
