

## Rossi 95 Lever Quick Takedown Steel Screw (Star) - Rossi 95 RP Logo Lever Takedown Screw (black)

[Rifle Parts](#) > [Receiver Parts](#) > [Takedown Parts](#) > [Screws](#)

Oversized Quick-Release Screws for Rossi 95 Lever-Action Material:  
High-quality 4140 chromoly steel with a black nitride coating for durability and corrosion protection. Compatibility: Specifically designed for Rossi 95 rifles (10-32 thread pitch). Not suitable for Rossi 92, Rio Grande, or Rio Bravo .22 rifles. Precision Fit: Large hex-head screws provide a secure grip during installation and removal without slipping. Practical and Secure: An O-ring prevents the screw from loosening. Makes lever changes easier—ideal for cowboy action shooting or when wearing gloves. Easy Cleaning: Allows quick lever removal for thorough cleaning without modifying the rifle. Note: Not compatible with Marlin or 1854 models.

## Safety Instructions

### Introduction

Thank you for choosing the Rossi 95 Lever Quick Takedown Steel Screw. This guide provides important safety instructions and information to ensure the safe use and maintenance of your product. Please read this manual carefully before installation and usage.

### General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always inspect the product for any damage before use.
- Keep the product out of reach of children and vulnerable individuals.
- In case of any malfunction or failure, discontinue use immediately.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates on the EU Safety Gate platform.

### Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as gloves and safety glasses, when handling the screws.
- Ensure the firearm is unloaded before attempting to install or remove the screws.
- Avoid using excessive force during installation to prevent damage to the screw or the firearm.
- Check that the Oring is in place to ensure the screw remains secure during use.
- Be cautious of sharp edges when handling the screws.

### Instructions for Installation and Usage

#### 1. Preparation:

- Ensure the rifle is unloaded and the work area is clean and welllit.
- Gather all necessary tools, including a suitable hex wrench for the screw.

#### 2. Installation:

- Align the screw with the threaded hole on the Rossi 95 rifle.
- Use the hex wrench to turn the screw clockwise until it is snug but do not overtighten.
- Ensure the Oring is properly seated to prevent loosening during use.

#### 3. Removal:

- To remove the screw, use the hex wrench to turn it counterclockwise until it is free from the threaded hole.
- Store the screw in a safe place when not in use.

#### 4. Cleaning:

- Regularly check and clean the screw and surrounding area to avoid buildup of dirt or debris.
- For thorough cleaning, remove the lever using the oversized quickrelease screw.

### Disposal Instructions

- Dispose of any damaged or worn screws in accordance with local regulations.

- Do not dispose of screws in regular household waste. Check for recycling options in your area.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the product, please consult your retailer or manufacturer.

By following these safety instructions, you can ensure the safe and effective use of the Rossi 95 Lever Quick Takedown Steel Screw. Thank you for your attention to safety.
