

# Rossi R95 45 70 Comet Muzzle Brake - Rossi R95 45-70 Comet Brake (black)

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

The "Comet Brake" is designed to be a slim, flush fit and aggressive rifle brake that works especially well to reduce felt recoil.

## Classic Comet Brake Features:

- Tough, stress proof construction stainless steel muzzle brake
- Tapered to closely match your rifle's muzzle diameter.
- Reduces recoil and muzzle flash by at least 25%
- Not a one-size-fits-all (1.73" total length, 1" hangs past barrel when installed)
- Designed for optimal performance and accuracy
- To install, hand tighten and use blue Loctite, no indexing or torque specs

# Rossi R95 4570 Comet Muzzle Brake Safety Instruction Guide

## Introduction

Thank you for choosing the Rossi R95 4570 Comet Muzzle Brake. This product is designed to enhance your shooting experience by significantly reducing felt recoil and muzzle flash. Please read this safety instruction guide carefully to ensure safe and effective use of the Comet Brake.

## General Safety Guidelines

- Always treat firearms and firearm accessories as if they are loaded.
- Ensure that the muzzle brake is compatible with your rifle before installation.
- Use only the recommended installation techniques to avoid damage or malfunction.
- Keep the muzzle brake out of reach of children and unauthorized users.
- Regularly inspect the muzzle brake for signs of wear or damage.
- In case of any malfunction, cease use immediately and consult a qualified gunsmith.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - The use of the muzzle brake may create a loud noise that can cause hearing damage. Always wear appropriate hearing protection.
  - Ensure that the area around you is clear of obstructions and bystanders when firing.
- **Avoiding Hazards:**
  - Do not exceed the recommended caliber specifications for the muzzle brake.
  - Ensure that the muzzle brake is securely installed before firing the rifle.
  - Avoid using the muzzle brake in adverse weather conditions that could impair visibility or safety.
- **Age Specific Warnings:**
  - This product is intended for use by individuals aged 18 and older. Ensure that younger users are supervised by a responsible adult.

## Instructions for Installation and Usage

### Installation Instructions

#### 1. Preparation:

- Ensure that your rifle is unloaded and the chamber is clear.
- Gather the necessary tools, including a wrench and blue Loctite.

#### 2. Installation:

- Align the muzzle brake with the muzzle of your rifle.
- Hand tighten the muzzle brake onto the rifle's muzzle.
- Apply a small amount of blue Loctite to the threads to secure the brake.
- Ensure that the muzzle brake is installed flush and does not protrude excessively beyond the barrel (1" hangs past the barrel when installed).

#### 3. Final Checks:

- Confirm that the muzzle brake is securely attached and does not move.
- Inspect for any visible damage or misalignment.

## Usage Instructions

- Always check the condition of the muzzle brake before each use.
- Ensure that you are using appropriate ammunition for your rifle and muzzle brake.
- Fire the rifle in a safe and controlled environment, ensuring that all safety precautions are observed.

## Disposal Instructions

- Dispose of the muzzle brake in accordance with local regulations regarding firearm accessories.
- If the product is damaged or no longer usable, consider recycling the materials where possible.
- Do not dispose of the muzzle brake in regular household waste.
