

# Marlin 1895 SbI 45 70 Muzzle Brake - Marlin T-REX 1895 45-70 Muzzle Brake (black)

[Rifle Parts](#) > [Muzzle Devices](#)

Recoil Reduction: Cuts felt recoil and muzzle flash by approximately 40%—ideal for more precise shots and faster follow-up shots. Material: Premium stainless steel with a salt-bath nitride coating for maximum durability and corrosion resistance. Thread Pattern: 11/16 x 24 tpi—compatible with common large-bore muzzle threads. Installation: Simple installation using blue Loctite and hand-tightening.

Designed specifically for the powerful .45-70 caliber, this high-performance muzzle brake features wide reverse-flow ports that significantly reduce muzzle rise and offer better handling than conventional designs. The black nitride finish ensures extreme longevity and rugged reliability.

# Marlin 1895 SBL 4570 Muzzle Brake Safety Instructions

## Introduction

Thank you for choosing the Marlin 1895 SBL 4570 Muzzle Brake. This product is designed to enhance your shooting experience by reducing recoil and muzzle flash. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Store your muzzle brake and firearm securely, out of reach of children and unauthorized users.
- Ensure that the muzzle brake is installed correctly before use.
- Regularly inspect the muzzle brake for signs of wear or damage.
- Use only compatible firearms and ammunition as specified in the product description.
- Follow all local, state, and national laws regarding the use of firearms and accessories.

## Specific Safety Precautions for Use

- Ensure that the area is clear of people, animals, and obstructions before firing.
- Wear appropriate eye and ear protection when using the firearm equipped with the muzzle brake.
- Do not attempt to modify the muzzle brake in any way.
- Be aware that the muzzle brake may increase noise levels; be considerate of others nearby.
- If you experience any malfunctions or unusual performance, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### Installation

1. Ensure your firearm is unloaded and pointed in a safe direction.
2. Clean the muzzle threads on your firearm to remove any debris or old thread sealant.
3. Apply a small amount of blue Loctite to the threads of the muzzle brake.
4. Thread the muzzle brake onto the firearm using the 11/16 x 24 tpi thread pattern.
5. Handtighten the muzzle brake securely.
6. Allow the Loctite to cure according to the manufacturer's instructions before firing.

### Usage

- Before each use, check to ensure the muzzle brake is securely attached.
- Follow the manufacturer's guidelines for ammunition and ensure it is suitable for the .4570 caliber.
- Fire your firearm in a safe environment, adhering to all shooting range or outdoor shooting regulations.

## Disposal Instructions

- Dispose of the muzzle brake in accordance with local regulations.
- If the muzzle brake is damaged or no longer in use, consider recycling the metal components wherever possible.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the Marlin 1895 SBL 4570 Muzzle Brake, please refer to the contact information provided in your product packaging or visit the manufacturer's website for assistance.

## **Conclusion**

Your safety is our priority. By following these instructions and guidelines, you can ensure a safer shooting experience with your Marlin 1895 SBL 4570 Muzzle Brake. Always stay informed about safety practices and be responsible in your use of firearms. Thank you for your attention to these important safety instructions.
