Safety Instruction Guide for the 1854 Lever Tool Less Quick Takedown Screw (44 Mag)

Introduction

Thank you for choosing the 1854 Lever Tool Less Quick Takedown Screw (44 Mag) for your Smith and Wesson 1854 leveraction rifle. This guide provides essential safety instructions and guidelines to ensure the safe use and maintenance of your product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the product is compatible with your specific model of Smith and Wesson 1854 leveraction rifle.
- Always handle firearms and related accessories with care and respect.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the screw for any signs of wear or damage.
- Do not use the screw if it is damaged or shows signs of wear.
- Always follow local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- Use only the 1854 Lever Tool Less Quick Takedown Screw with Smith and Wesson 1854 leveraction rifles.
- Ensure that the firearm is unloaded before attempting to install or remove the screw.
- Always wear appropriate safety gear, such as eye protection, when handling firearms.
- Do not attempt to modify or alter the screw in any way.
- If you experience difficulty during installation or removal, consult a qualified gunsmith for assistance.
- Be aware of your surroundings and ensure that no one is in the line of fire when handling the firearm.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is completely unloaded and pointed in a safe direction.
- Gather the necessary tools, if any, for installation.

2. Installation:

- Locate the takedown screw position on your Smith and Wesson 1854 leveraction rifle.
- Insert the 1854 Lever Tool Less Quick Takedown Screw into the designated position.
- Handtighten the screw until secure, ensuring that it is properly seated but not overtightened.

3. Usage:

- To remove the screw for cleaning or maintenance, simply turn the screw counterclockwise until it is free.
- For installation of larger loop levers, follow the same procedure as above.

4. PostUsage:

- After use, inspect the screw for any signs of wear or damage.
- Store the screw in a safe place, away from children and unauthorized users.

Disposal Instructions

- Dispose of any damaged or worn screws in accordance with local regulations.
- Do not dispose of the screw in regular household waste. Instead, follow local guidelines for hazardous materials or metal recycling.

Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to your local authorized dealer or the manufacturer's website. Always ensure you have the latest safety updates and product information.

Thank you for your attention to these safety instructions. Your safety and the safety of others is our top priority. Enjoy your shooting experience with the Smith and Wesson 1854 leveraction rifle!
