

Henry Lever Takedown Screw 360 Buckhammer - Henry 360 Buckhammer Lever Takedown Screw (black)

[Rifle Parts](#) > [Receiver Parts](#) > [Takedown Parts](#) > [Screws](#)

Oversized, Henry lever-action quick take down screws allow for easy lever removal for a thorough cleaning, plus makes it easy to swap out standard levers for larger loop levers for gloved hands or cowboy action shooting. Replaces the original, factory lever screw without alteration. Made of 4140 chromoly steel with a black nitride coating. Fits Henry H009 30-30, H010 45-70, H012 Henry Big Boy Steels, H014 Long Ranger Series (.243, .308, etc), H018 .410, H024 Side Loading (.30-30 Win, .38-55 Win, .35 Rem)

Henry Lever Takedown Screw Safety Instructions

Introduction

Thank you for choosing the Henry Lever Takedown Screw. This product is designed to enhance the functionality of your Henry leveraction firearm by allowing for easy lever removal and replacement. It is important to follow the safety guidelines outlined in this document to ensure safe use and maintenance of the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for installation and use.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for wear and damage.
- Use appropriate safety equipment when handling firearms.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before attempting to install or remove the lever.
- Use caution when handling tools during installation to avoid injury.
- Do not modify the product or use it in a manner not specified by the manufacturer.
- Ensure that the screw is tightened securely to prevent it from loosening during use.
- Check for proper fit and function after installation.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is completely unloaded.
- Gather necessary tools: a screwdriver appropriate for the screw size.

2. Installation

- Remove the original lever screw using the screwdriver.
- Align the Henry Lever Takedown Screw with the lever assembly.
- Insert the screw and tighten it securely, ensuring it is not overly tightened to avoid damage.

3. Usage

- To remove the lever for cleaning, simply unscrew the Henry Lever Takedown Screw.
- For replacement with larger loop levers, follow the same installation steps.

4. Maintenance

- Regularly check the screw for tightness and ensure it is in good condition.
- Clean the screw and surrounding area to prevent dirt buildup.

Disposal Instructions

- Dispose of the product in accordance with local regulations for metal waste.
- Do not dispose of the product in regular household waste.
- Consider recycling options if available.

Contact Information for Further Support

For safety inquiries regarding this product, please refer to the manufacturer's contact point, which can be found on the packaging or the official website.

By adhering to these safety instructions, you can ensure the safe and effective use of your Henry Lever Takedown Screw. Thank you for prioritizing safety and compliance.
