Marlin T Rex Lever Takedown Screw Tool Safety Instruction Guide

Introduction

Thank you for choosing the Marlin T Rex Lever Takedown Screw Tool. This product is designed for easy lever removal, allowing for thorough cleaning and the ability to swap out standard levers for larger loop levers. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle the tool with care to avoid injuries.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the tool for any signs of damage or wear before each use.
- If you notice any defects, discontinue use immediately and seek assistance.
- Follow all local laws and regulations regarding firearm maintenance and modifications.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as gloves and eye protection, when using the tool.
- Ensure that the firearm is unloaded before attempting to use the takedown screw tool.
- Do not apply excessive force when using the tool to avoid damaging the firearm or the tool itself.
- Use the tool in a welllit area to ensure visibility and precision.
- Do not leave the tool unattended while in use.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is completely unloaded and pointed in a safe direction.
- Gather all necessary tools and materials, including the Marlin T Rex Lever Takedown Screw Tool.

2. Installation:

- Locate the original factory lever screw on your firearm.
- Using the Marlin T Rex Lever Takedown Screw Tool, gently remove the original lever screw by turning it counterclockwise.
- Carefully replace it with the Marlin T Rex Lever Takedown Screw by inserting it into the screw hole.
- Tighten the new screw by turning it clockwise until it is securely in place, but do not overtighten.

3. Usage:

- To remove the lever for cleaning, use the Marlin T Rex Lever Takedown Screw Tool to loosen the screw as described above.
- After cleaning, reattach the lever using the same screw.

4. PostUsage:

- After use, store the tool in a safe place away from children and pets.
- Regularly clean the tool to maintain its functionality and longevity.

Disposal Instructions

- Dispose of any damaged or wornout parts in accordance with local regulations.
- If the product is no longer needed, consider recycling it where possible.
- Do not dispose of the product in household waste.

Contact Information for Further Support

For any inquiries or support regarding the Marlin T Rex Lever Takedown Screw Tool, please contact your local retailer or visit the manufacturer's website for assistance. Always refer to the product packaging for specific contact information.

By following these guidelines, you can ensure the safe use of the Marlin T Rex Lever Takedown Screw Tool and maintain the integrity of your firearm. Thank you for your attention to safety.
