

Henry T Rex Lever Takedown Screw Tyrannosaurus - Henry T-Rex Lever Takedown Screw (black)

[Rifle Parts](#) > [Receiver Parts](#) > [Takedown Parts](#) > [Screws](#)

Oversized, Henry lever-action quick take down screws allow for easy lever removal for a thorough cleaning, plus makes it easy to swap out standard levers for larger loop levers for gloved hands or cowboy action shooting. Replaces the original, factory lever screw without alteration. Made of 4140 chromoly steel with a black nitride coating. Fits Henry H009 30-30, H010 45-70, H012 Henry Big Boy Steels, H014 Long Ranger Series (.243, .308, etc), H018 .410, H024 Side Loading (.30-30 Win, .38-55 Win, .35 Rem)

Henry T Rex Lever Takedown Screw Safety Instructions

Introduction

Thank you for choosing the Henry T Rex Lever Takedown Screw. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this manual thoroughly before installation and use.

General Safety Guidelines

- Ensure safe use of the product by following all instructions provided in this guide.
- Always handle the product with care to avoid injury.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any signs of wear or damage to ensure continued safe operation.
- In case of any issues, do not attempt to repair the product yourself; seek professional assistance.

Specific Safety Precautions for Use

- Use the Henry T Rex Lever Takedown Screw only with compatible Henry leveraction rifles.
- Ensure the firearm is unloaded before attempting to install or remove the takedown screw.
- Wear appropriate eye protection when working with firearms and related components.
- Do not use excessive force when installing or removing the screw to avoid damaging the firearm or the screw itself.
- If you experience difficulty during installation or removal, stop and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation:

- Ensure your work area is clean and welllit.
- Gather all necessary tools, including a screwdriver suitable for the screw type.

2. Installation:

- Verify that the firearm is completely unloaded.
- Remove the original lever screw from the firearm using the appropriate screwdriver.
- Align the Henry T Rex Lever Takedown Screw with the screw hole.
- Gently insert the screw and tighten it using the screwdriver until secure, but do not overtighten.

3. Usage:

- To remove the lever for cleaning, simply unscrew the Henry T Rex Lever Takedown Screw.
- Follow the manufacturer's guidelines for cleaning and maintenance of your firearm.

4. PostInstallation Check:

- After installation, ensure that the lever operates smoothly and that there are no loose components.
- Conduct a function check of the firearm to ensure it operates correctly.

Disposal Instructions

- Dispose of any packaging materials responsibly and in accordance with local regulations.

- If the product becomes damaged beyond repair, dispose of it in a way that prevents any potential hazards to the environment or public safety.

Contact Information for Further Support

For any questions or concerns regarding the Henry T Rex Lever Takedown Screw, please consult the retailer from whom you purchased the product or contact the manufacturer directly.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your Henry T Rex Lever Takedown Screw. Always prioritize safety and compliance with local laws and regulations when handling firearms. Thank you for your attention to these important safety considerations.
