

# Henry Lever Takedown Screw Alum - Henry Lever Takedown Screw (Alum Bronze)

[Rifle Parts](#) > [Receiver Parts](#) > [Takedown Parts](#) > [Screws](#)

Oversized, Henry lever-action quick take down screws allow for easy lever removal for a thorough cleaning, plus makes it easy to swap out standard levers for larger loop levers for gloved hands or cowboy action shooting. Replaces the original, factory lever screw without alteration. Made of 4140 chromoly steel with a black nitride coating. Fits Henry H009 30-30, H010 45-70, H012 Henry Big Boy Steels, H014 Long Ranger Series (.243, .308, etc), H018 .410, H024 Side Loading (.30-30 Win, .38-55 Win, .35 Rem)

# Henry Lever Takedown Screw Safety Instruction Guide

## Introduction

Thank you for choosing the Henry Lever Takedown Screw (Alum Bronze). This product is designed to enhance the usability of your Henry leveraction firearm by allowing for easy lever removal and replacement. To ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR), please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that the product is used only in accordance with the manufacturer's instructions.
- Always handle firearms with care and follow all firearm safety rules.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage.
- If you notice any defects or irregularities, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Before installation, ensure that the firearm is unloaded and pointed in a safe direction.
- Use only the specified tools for installation to avoid damaging the screw or firearm.
- Do not attempt to modify the screw or firearm in any way that is not outlined in the instructions.
- Always wear appropriate safety gear, such as eye protection, when handling tools and firearms.
- Ensure that your hands are clean and dry when handling the screw to prevent slippage.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure the firearm is completely unloaded.
- Gather necessary tools: a screwdriver that fits the screw head.

### 2. Installation

- Locate the original lever screw on the firearm.
- Using the screwdriver, carefully remove the original screw.
- Align the Henry Lever Takedown Screw with the screw hole.
- Insert the new screw and tighten it securely, but do not overtighten to avoid damage.

### 3. Usage

- To remove the lever for cleaning, simply unscrew the Henry Lever Takedown Screw.
- To replace the lever, follow the installation steps in reverse.
- Ensure that the lever is securely attached before using the firearm.

### 4. Post-Installation Check

- After installation, check that the lever operates smoothly.
- Verify that the screw is secure and does not wobble.

## Disposal Instructions

- Dispose of any old screws or parts in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, take it to a designated recycling center.

## Contact Information for Further Support

For safety inquiries or additional support, please reach out to the manufacturer or your local retailer. Ensure to keep your purchase receipt for reference.

## Conclusion

By following these safety instructions, you can ensure the safe and effective use of the Henry Lever Takedown Screw. Always prioritize safety and compliance with all relevant regulations. Thank you for your attention to these important guidelines.
