

# Henry Lever Quick Takedown Screw 30 30 Win - Henry 30-30 Win Lever Takedown Screw (black)

[Rifle Parts](#) > [Receiver Parts](#) > [Takedown Parts](#) > [Screws](#)

Oversized, Henry lever-action quick take down screws allow for easy lever removal for a thorough cleaning, plus makes it easy to swap out standard levers for larger loop levers for gloved hands or cowboy action shooting. Replaces the original, factory lever screw without alteration. Made of 4140 chromoly steel with a black nitride coating. Fits Henry H009 30-30, H010 45-70, H012 Henry Big Boy Steels, H014 Long Ranger Series (.243, .308, etc), H018 .410, H024 Side Loading (.30-30 Win, .38-55 Win, .35 Rem)

# Henry Lever Quick Takedown Screw Safety Instruction Guide

## Introduction

Thank you for choosing the Henry Lever Quick Takedown Screw for your firearm needs. This guide provides essential safety instructions and information to ensure the safe use and maintenance of your product. Please read and follow these guidelines carefully.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow local laws and regulations regarding firearm accessories.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for wear and tear. Do not use if damaged.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Wear appropriate safety gear, including gloves and eye protection, when handling firearms.
- Ensure the firearm is unloaded before performing any maintenance or installation.
- Avoid using excessive force when installing or removing the screw to prevent damage.
- Do not modify the screw or firearm in any way that is not recommended by the manufacturer.
- Be aware of your surroundings and ensure the area is safe when handling firearms.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a screwdriver suitable for the screw head type.

### 2. Installation

- Remove the original lever screw using the appropriate screwdriver.
- Align the Henry Lever Quick Takedown Screw with the lever assembly.
- Carefully insert the screw and handtighten it to avoid crossthreading.
- Use the screwdriver to securely tighten the screw, but do not overtighten.

### 3. Usage

- To remove the lever for cleaning, simply unscrew the quick takedown screw.
- Follow the manufacturer's cleaning instructions for your specific firearm model.
- After cleaning, reattach the lever using the same installation steps.

### 4. PostInstallation Checks

- Ensure that the lever is securely attached and functions correctly before use.
- Perform a function check of the firearm to ensure safety and proper operation.

## **Disposal Instructions**

- Dispose of any damaged or worn screws in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check with local authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the Henry Lever Quick Takedown Screw, please refer to the product packaging or the manufacturer's website for additional support and resources.

Thank you for choosing our product, and please prioritize safety in all your firearm activities.
