Safety Instruction Guide for Henry Lever Quick Takedown Screw

Introduction

Thank you for choosing the Henry Lever Quick Takedown Screw. This product is designed to enhance the functionality of your Henry leveraction rifle, allowing for easy lever removal and replacement. Please read this safety instruction guide carefully to ensure safe usage and compliance with EU safety regulations.

General Safety Guidelines

- Always handle firearms and firearm accessories with care and in accordance with local laws and regulations.
- Ensure that the product is used only for its intended purpose.
- Inspect the product for any visible damage before use. Do not use if damaged.
- Store the product in a secure location, out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure the firearm is unloaded before attempting to install or remove the takedown screw.
- Wear appropriate personal protective equipment (PPE) such as safety glasses when working on your firearm.
- Avoid using excessive force when installing or removing the screw to prevent damage to the firearm or the screw.
- Do not modify the screw or firearm in any way that is not recommended by the manufacturer.
- Keep fingers and hands clear of moving parts during installation and removal.

Instructions for Installation and Usage

1. Preparation

- Ensure that the firearm is completely unloaded.
- Gather necessary tools for installation, such as a screwdriver that fits the screw head.

2. Installation

- Locate the original lever screw on your Henry rifle.
- Using the appropriate screwdriver, carefully remove the original screw.
- Take the Henry Lever Quick Takedown Screw and align it with the screw hole.
- Gently insert the new screw and turn it clockwise until it is snug. Do not overtighten.

3. Usage

- To remove the lever, simply unscrew the takedown screw in a counterclockwise direction.
- For cleaning or maintenance, follow the manufacturer's instructions for your specific rifle model.
- When replacing the lever, ensure the new lever is compatible with your rifle model and fits securely.

4. PostInstallation Check

- After installation, check that the lever operates smoothly.

- Ensure that the screw is securely fastened and that there are no loose parts.

Disposal Instructions

- Dispose of any packaging material responsibly and in accordance with local waste disposal regulations.
- If the product is no longer needed or is damaged beyond use, dispose of it in a manner that prevents it from being used improperly.

Contact Information for Further Support

For any inquiries regarding the Henry Lever Quick Takedown Screw, please refer to the manufacturer's website or contact your local dealer for assistance. Ensure you keep the product information and any relevant purchase details handy for reference.

Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation (GPSR). Enjoy your enhanced shooting experience with the Henry Lever Quick Takedown Screw!
