Marlin 336 SBL 3030 Comet Brake Safety Instructions

Introduction

Thank you for choosing the Marlin 336 SBL 3030 Comet Brake. This product is designed to enhance your shooting experience by reducing felt recoil and muzzle flash. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Ensure that you are aware of your surroundings and the potential for a projectile to travel beyond your intended target.
- Use appropriate eye and ear protection while shooting.
- Store the firearm and any accessories in a secure place, out of reach of children and unauthorized users.
- Regularly inspect the product and firearm for any signs of wear or damage.
- Familiarize yourself with local laws and regulations regarding firearm use and accessories.

Specific Safety Precautions for Use

- The Comet Brake is designed specifically for the Rugermade Marlin 336 SBL 3030 Win. Do not use it with other firearms.
- Ensure that the Comet Brake is securely installed before use to avoid any accidents.
- Do not exceed the manufacturer's recommended ammunition specifications.
- Avoid shooting in windy conditions, as this may affect your control and accuracy.
- Be aware of the sound level produced by the brake; it may be louder than standard shooting.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Threading:** Clean the muzzle threads of the barrel to remove any debris.
3. **Applying Loctite:** Apply a small amount of blue Loctite to the threads of the Comet Brake.
4. **Tightening:** Handtighten the Comet Brake onto the muzzle threads. No torque specifications are required.
5. **Final Check:** Ensure the brake is perfectly flush with the barrel diameter and securely attached.

Usage

- Before each use, visually inspect the Comet Brake for any signs of wear or damage.
- After installation, test the firearm in a controlled environment to ensure proper function and performance.
- Monitor the brake during use for any unusual sounds or movements, which may indicate a problem.

Disposal Instructions

- Dispose of the Comet Brake in accordance with local regulations regarding metal and firearm accessories.
- Do not dispose of the product in regular household waste. Instead, seek out a recycling facility that accepts metal products.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product performance, please contact the manufacturer or your retailer. Ensure that you have the product details on hand for a more efficient response.

By adhering to these safety instructions, you can ensure a safe and enjoyable experience with your Marlin 336 SBL 3030 Comet Brake. Thank you for your attention to safety and responsible firearm use.
