Belt Holder Cartridge Quivers Safety Instruction Guide

Introduction

Thank you for choosing the Belt Holder for MLOK Cartridge Quivers. This product is designed to securely attach your cartridge holder to your belt, providing easy access to your ammunition. To ensure safe and effective use, please read and follow the safety guidelines and instructions outlined in this guide.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Regularly inspect the Belt Holder for any signs of wear or damage before each use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the Belt Holder only with compatible RPP cartridge holders.
- Do not overload the Belt Holder with excessive weight, as this may compromise its integrity.
- Avoid using the product in extreme weather conditions, which may affect its performance.
- Ensure that the screws used for attachment are properly tightened before use.
- If you notice any unusual sounds or movement during use, discontinue use immediately and inspect the product.

Instructions for Installation and Usage

1. Installation

- Select a belt that is up to 1.5 inches wide for proper fit.
- Slide the Belt Holder onto your belt at the desired location.
- Use the two screws provided to securely attach the Belt Holder to your RPP cartridge holder.
- Ensure that the screws are tightened firmly to prevent any movement during use.

2. Usage

- Once installed, check that the cartridge holder is securely attached to the Belt Holder.
- Carry only the necessary amount of ammunition to avoid overloading.
- When accessing your ammunition, do so carefully to prevent accidental spills or drops.

Disposal Instructions

- Dispose of the Belt Holder in accordance with local regulations regarding metal products.
- If the product is damaged beyond repair, recycle the aluminium material if possible.
- Do not dispose of the product in regular household waste.
