

# Smith & Wesson 1854 Butt Stock Takedown Screw Ranger Point Store - Smith and Wesson 1854 Butt Takedown Stock Screw (black)

[Rifle Parts](#) > [Stock Parts](#)

The 1854 Butt Stock Screw is a practical, universal takedown screw designed for all S&W 1854 rifle models. It allows quick removal of the buttstock, making the rifle compact and easy to transport.

## Features:

Universal Fit: Compatible with all 1854 rifles, regardless of model or caliber.

Easy Handling: Can be removed quickly using any coin—perfect for rapid takedowns.

Durable Construction: Made from chrome-moly steel with a black nitride finish for enhanced durability and corrosion resistance.

Versatile Use: Ideal for fast swapping of rifle components without the need for special tools.

Full Compatibility: Fits all 1854 rifles—suitable for hunting, sport shooting, and home defense.

# Safety Instructions for Smith & Wesson 1854 Butt Stock Takedown Screw

## Introduction

Thank you for choosing the Smith & Wesson 1854 Butt Stock Takedown Screw. This product is designed to enhance the functionality of your S&W 1854 rifle models. To ensure your safety and the safe use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the takedown screw by following all guidelines provided. This product meets safety standards for nonfood items as per the EU General Product Safety Regulation (GPSR).
- **Enhanced Recalls:** Stay informed about any potential recalls. In the event of a safety issue, standardized recall notices will be issued.
- **Online Shopping:** If purchased online, ensure the seller complies with safety requirements similar to those in physical stores.
- **Special Consumer Focus:** Extra caution is advised when this product is used around children or vulnerable individuals.
- **EU Contact Point:** For safety inquiries, refer to the product packaging or documentation for contact information.
- **Rapid Alerts:** Monitor the EU Safety Gate platform for updates on any unsafe products.

## Specific Safety Precautions for Use

- **Compatibility:** Ensure the takedown screw is compatible with your specific S&W 1854 rifle model.
- **Handling:** Use caution when handling the takedown screw. Avoid using excessive force during installation or removal.
- **Inspection:** Regularly inspect the screw for any signs of wear or damage. Replace if necessary.
- **Storage:** Store the takedown screw in a dry place away from direct sunlight and moisture.
- **Child Safety:** Keep this product out of reach of children to prevent accidental injury.

## Instructions for Installation and Usage

1. **Preparation:** Before installation, ensure your rifle is unloaded and pointed in a safe direction.
2. **Removal of Existing Screw:**
  - Use a coin to turn the existing screw counterclockwise until it is free.
  - Keep the old screw in a safe place in case you need to reinstall it later.
3. **Installation of New Takedown Screw:**
  - Align the new takedown screw with the mounting point on the buttstock.
  - Use a coin to turn the screw clockwise until it is securely tightened.
4. **Testing:** After installation, gently pull on the buttstock to ensure the screw is securely fastened and the stock is stable.
5. **Regular Maintenance:** Periodically check the screw for tightness and inspect for any signs of wear or damage.

## Disposal Instructions

- **Disposal:** Dispose of any old screws or damaged parts in accordance with local regulations for metal waste.
- **Environmental Considerations:** Do not dispose of in regular household waste. Check for recycling options in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the Smith & Wesson 1854 Butt Stock Takedown Screw, please refer to the contact information provided on the product packaging or documentation.

By following these safety instructions, you can ensure the safe and effective use of your Smith & Wesson 1854 Butt Stock Takedown Screw. Thank you for your attention to safety.
